[FULL ABSTRACT TITLE IN TITLE CASE]

[First Author][1], [Second Author][1], [Third Author][2], [Additional Authors]

[1] [Department/School], [Faculty], [University/Organization], [City Postal Code], [Country]

[2] [Department/Division], [Company/Institution], [City], [Country]

**Corresponding author: [email address]*

ABSTRACT

[Write one paragraph of approximately 250–300 words. Briefly cover the background and objective, methods, key quantitative results, and conclusion/industrial or scientific implications. Avoid citations unless requested.]

Keywords: [keyword 1]; [keyword 2]; [keyword 3]; [keyword 4]; [keyword 5]

PRESENTATION TYPE: ORAL/POSTER

[Please indicate your preferred presentation type (Oral or Poster). The final presentation format will be determined by the Scientific Committee.

AUTHOR CHECKLIST

☐ All authors and affiliations are listed correctly; superscript numbers match.

☐ The corresponding author's email address is provided.

☐ The abstract includes the objective, methods, key results, and conclusion.

☐ Keywords are provided (3–5 recommended).

FORMAT GUIDE

• Page: A4; margins approximately 0.65–0.8 in (1.65–2.0 cm).

• Font: Times New Roman throughout. Title 14 pt bold; authors 10 pt bold; affiliations and corresponding author 9 pt; abstract 11 pt; and keywords 10 pt.

• Title: centered, concise, Title Case; avoid unexplained abbreviations.

• Authors: centered; use superscript affiliation markers ([1], [2], [3]) after each author name.

• Affiliations: one per numbered institution; include department/school, institution, city, postal code where relevant, and country.

• Corresponding author: mark with an asterisk (*) and provide email.

• Abstract: one justified paragraph; suggested 250-300 words.

• Keywords: 3–5 terms, separated by semicolons.
