

Terms of Use

"App" as used here in refers to all products and services owned and operated by NFT Kit Team.

These Terms of Use (collectively the "Terms") set forth the legally binding terms and conditions which are applicable to your use of any of the Applications ("App", "Apps" or "Services") from NFT Kit in this policy.

Acceptance of Terms of Service

If you do not agree with any of NFT Kit's guidelines, rules, regulations, restrictions, or with any terms of this Agreement, you must not use the Service and you must delete and/or uninstall the Service from your computer or mobile device. NFT Kit reserves the right to modify this Agreement at any time, in accordance with the Change to Terms and Conditions" section set forth below. Your continued use of the Service following the posting of any changes to this Agreement means that you accept and agree to abide by such changes. If you do not comply with the terms of this Agreement and NFT Kit's Terms of Service, which is incorporated herein by reference, at all times when using the Service, NFT Kit reserves the right to deny or restrict your access to the Service.

Changes to these terms

We may amend these terms and conditions from time to time without prior notice. If there are changes to the Terms of Service, NFT Kit will publish the modified content on its website; once the revised version of the Terms of Service is published on the web, it is immediately effective and replaces the original. Your continued use of the NFT Kit Apps after we post any amendments will signify your acceptance of such amendments. If you do not agree with any amendment, you must discontinue using the NFT Kit Apps.

Privacy Policy

For information about how we collect and use information about users of the Service, please check out our privacy policy.

Third-Party Services From time to time, we may provide you with links to third party websites or services that we do not own or control. Your use of the Service may also include the use of applications that are developed or owned by a third party. Your use of such third party applications, websites, and services is governed by that party's own terms of service or privacy policies. We encourage you to read the terms and conditions and privacy policy of any third party application, website or service that you visit or use.

Basic Rules

1. NOTICE TO PARENTS AND GUARDIANS: By granting your child permission to download and access an app from us, you agree to the terms and conditions of this NFT Kit on behalf of your child. You are responsible for exercising supervision over your children's online activities. If you do not agree to this NFT Kit, do not let your child use our apps or associated features. If you are the parent or guardian of a child under 8 and believe that he or she is using the Apps, please contact us.

2. You use the NFT Kit services only for personal purposes (you may not use them for commercial purposes). You may not use the NFT Kit services for any illegal or unauthorized purpose. You agree to comply with all laws, rules and regulations (for example, federal,

state, local and provincial) applicable to your use of the Service and your Content (defined below), including but not limited to, copyright laws. You are solely responsible for your conduct and any data, text, files, information, usernames, images, graphics, photos, profiles, audio and video clips, sounds, musical works, works of authorship, applications, links and other content or materials (collectively, "Content") that you submit, post or display on or via the Service.

3. You must not interfere or disrupt the Service or servers or networks connected to the Service, including by transmitting any worms, viruses, spyware, malware or any other code of a destructive or disruptive nature, or access NFT Kit's private API by any means other than in compliance with rules we set on API access.

4. You must not spam or submit any unwanted email or comments to any users of the NFT Kit services, or use web URLs in your username without prior written consent from NFT Kit.

5. You are not allowed to resell or charge others for use of or access to the NFT Kit services, or duplicate, reproduce, transfer, give access to, copy or distribute any part of the NFT Kit services in any medium without NFT Kit's prior written authorization

6. Violation of these Terms of Use may, in NFT Kit's sole discretion, result in a ban of NFT Kit usage. You understand and agree that NFT Kit cannot and will not be responsible for the Content stylize on the Service and you use the Service at your own risk. If you violate the letter or spirit of these Terms of Use, or otherwise create risk or possible legal exposure for NFT Kit, we can stop providing all or part of the Service to you.

Advertising

Some of the NFT Kit Services are supported by advertising revenue and may display advertisements and promotions. You agree that NFT Kit may place advertising and promotions on, about, or in conjunction with your Content. The manner, mode, and extent of such advertising and promotions are subject to change without notice to you. You acknowledge that we may not always identify paid services, sponsored content, or commercial communications as such.

In-app Purchase

The NFT Kit Services may include virtual items or services that can be licensed for a fee, typically via an in-app purchase ("Purchased Content"). You may only license Purchased Content if you are over 18 years old, and only on a limited, personal, non-transferable, non-sublicenseable and revocable basis for non-commercial use only. If you deactivate your account, you will no longer have access to previously Purchased Content even if you later re-activate your account or create a new account. NFT Kit reserves the right to manage, regulate, control, modify, or eliminate Purchase Content at any time. Upon the Purchased Content being made available to you, NFT Kit's obligations to provide Purchase Content are deemed fulfilled.

Governing Law and Venue

The Terms, Privacy Policy, and Additional Terms shall be governed by the laws of the State of California without giving effect to any conflicts of laws principles. The United Nations Conventions for International Sale of Goods does not apply to this agreement.

Warranty Disclaimer

We make a significant effort to provide the best Service we are able to, but we make no promises, representation, warranties, or guarantees that the Service will operate as intended. Errors or other interruptions may cause the Service to not function as intended. By using the Service, you understand and accept this risk.

NFT Kit make any warranties or representations about the service and any content available on the service, including, but not limited to, the accuracy, reliability, completeness appropriateness, timeliness, or reliability thereof. NFT Kit will not be subject to liability for the truth, accuracy, or completeness of any content on the service, or for errors, mistakes, or omissions therein, or for any delays or interruptions of the data or information stream from whatever cause. as a user, you agree that you use the service and any content thereon at your own risk. you are solely responsible for all content you upload to the service.

NFT Kit does not warrant that the service will operate error free, or that the service and any content thereon are free of computer viruses or similar contamination or destructive features. if your use of the service or any content thereon results in the need for servicing or replacing equipment or data, no NFT Kit party will be responsible for those costs.

the service and all content thereon are provided on an "as is" and "as available" basis without any warranties of any kind. accordingly, to the greatest extent permitted by law NFT Kit disclaims all warranties thereto, including, but not limited to, the warranties of title, merchantability, non-infringement of third parties rights, and fitness for particular purpose.

Links to other websites

You may access other Third Party Services through the Services, for example by clicking on links to those Third Party Services from within the Site. We are not responsible for the privacy policies and/or practices of these Third Party Services, and you are responsible for reading and understanding those Third Party Services' privacy policies. This Privacy Policy only governs information collected on the Services.

NFT Kit takes your privacy concerns very seriously. If you still have concerns about privacy issues after reading this Privacy Policy, please contact us at pixelnftkit_sup@outlook.com.
