Subject: Comments to be read into the 11/17/21 Planning Commission meeting record

Ms. Mann,

I respectfully ask that you read the following statement into the record at the Spotsylvania Planning Commission's November 17 meeting regarding the proposed Four Seasons RV Park.

My name is [name] and I [live on / own property on / visit] Lake Anna. I am opposed to the proposed Four Seasons RV Park development.

There are many reasons to stand up against this development. As a [lake resident / frequent lake visitor / fisherman / boater], I am particularly concerned with [the development's density and commercial nature / harmful algae blooms / septic, runoff, well water / boating safety / road safety / stress on EMS, Fire, Police, and Medical / overstated tax revenue projections by developer / devaluation of existing property / park model RVs / viability of this project and impact when it fails]. Specifically, I want you to realize [add facts here about the issue(s) you choose to speak on*].

Closing Because of the reasons stated above, I respectfully ask that you deny the proposed Four Seasons RV Park on Lake Anna in Spotsylvania County (SUP21-0005).

Respectfully,

[your name]

[your address - even if it is not a lake address]
