

Week of 8/19/24
Alessandro Pimentel

Alessandro has been steadily improving over the past 2 years despite interruptions from numerous injuries. The first word in our team mantra is PERSEVERANCE, and Sandro displays that quality every day. At the Screamin' Scott Showdown, Sandro had perhaps his best race ever, placing 5th out of 157 runners in the short course race. Sandro's attitude of never giving up has allowed him to become one of our top runners and he will play a big role as we move into league and section competition. Keep up the good work, Sandro. GO HUSKIES!!!
