III. READING (3.0 points)

Part 1 Question 36 - 40. Read and fill ONE word in each blank. Write the answer on your answer sheet. (1.0 point)

Megan has been fascinated by dinosaurs ever since she can remember. She has dinosaur wallpaper, dinosaur slippers, her dog is called T-Rex, and she even has dinosaurs on her pajamas. In her free time, she reads books about dinosaurs and wants to study them when she grows up.

It's her 12th birthday next Saturday and her mum Sue and dad Roger have decided to take her and her brother Ted to the dinosaur park to celebrate. The dinosaur park is famous for having lots of life-size dinosaur models and some real dinosaur footprints. The park opens at 6 in the morning and closes at 10 at night. It is open every day of the year.

36. Megan is interested in _____
37. T-rex is the name of Megan's _____
38. Megan's birthday is celebrated in the _____
39. There are _____ people in Megan's family.
40. The park opens for _____ hours every day.

Part 2 Questions 41 - 45. Read the passage and decide if the statements are true (T) or false (F). Write the answer on your answer sheet.

The early bird catches the worm. This means people who wake up early do many things. This may be true. Scientists found that people who sleep early do better in tests. People who sleep and wake up early (early birds) do better than people who sleep and wake up late (night owls). Their brains are different.

The scientists tested 38 people. They answered questions about sleep and tiredness. They had brain scans and did tests. The early birds were less sleepy. They did the tests quicker than the night owls. The scientists said night owls have to get up early for school and work. They always want to sleep late.

41. People who sleep early have higher scores in their tests.
42. People who sleep late and wake up early are called early birds.
43. In the test, the early birds felt sleepier than the night owls.
44. The early birds did the test faster than the night owls.
45. The night owls never want to sleep late.
