

Dove Offers Shampoo to Help Damaged Hair

April 25, 2024

Beauty is not defined by shape, size, or color – it's authentic, unique and real. This is the concept of Dove products.

Dove

Is your hair being damaged by wind and sun, perm, blow-drying, dyeing, and bleaching? Those are never the barriers to your beauty according to Dove. Dove launched a product of [intensive repair shampoo for damaged hair](#), which was awarded by [2023 Good Housekeeping Award](#).

This shampoo especially targets seriously damaged hair by its powerful repair function with clean ingredients. Dove's patented blend of mild cleansers and one-fourth moisturizing cream is added to their innovation on the combination of protein and coconut oil, which can repair and nourish hair effectively.

The product received a score of 4.7 out of 5 on its sales website. A tester shared that their hair "was easier to style, and my blowout lasted," while two others noted it made their hair less frizzy.

In the Beauty Lab assessment, this shampoo got perfect scores for making hair manageable, smooth, and supple. While some online reviewers don't love the scent, noting that it leaves their hair smelling like dirt or grass.

Want to get rid of beauty anxiety? Want hassle-free perm, color, and bleach? Why not start with [Dove's intensive repair shampoo for damaged hair](#)?
