

Marching Band Absence Form

Today's Date	
Name	
Date of absence	
Reason	
Student Signature	
Parent Signature	

Please remember any absence makes it difficult to learn in marching band. This is not a sport where we can pull someone off the bench to cover for an absence. EVERYONE is important. Trying to march next to an empty spot that is supposed to have a person makes it hard on the whole group, and it is even harder on the student who has to catch up on what he or she missed. Please only miss if it is absolutely necessary. This form should be filled out in **ADVANCE** of your absence. If you have something come up that you can't make it unexpectedly, please call the school band phone (740) 858-3958, and then fill out a form and return it upon your return. Thank you!
