Privacy Policy

Hexa Nudge: Stack Puzzle

Last Updated: October 23, 2026

1. Introduction

Welcome to Hexa Nudge: Stack Puzzle.

We respect your privacy and are committed to providing a simple and enjoyable gaming experience. This Privacy Policy explains how information is handled when you use our mobile game, Hexa Nudge: Stack Puzzle (the "Game").

2. Information Collection

The Game does not collect or transmit personal information through gameplay.

We do not require users to create an account, sign in, or provide personal details to play the Game.

The Game does not collect names, email addresses, phone numbers, precise locations, advertising identifiers, or other personal information for tracking purposes.

3. Local Game Data

The Game may store basic gameplay information locally on your device, including game progress, completed levels, scores, and preferences.

This information is used solely to support gameplay and maintain your settings.

Gameplay data is not transmitted to our servers or shared with third parties by the Game.

4. Advertising and Third-Party Services

The current version of the Game does not display third-party advertisements or integrate third-party advertising, analytics, or tracking SDKs.

We do not sell or share personal information with advertisers or data brokers.

Google Play and your device's operating system may independently process certain information under their respective privacy policies.

5. Data Security

We take user privacy seriously.

The Game does not maintain server-side copies of your local gameplay information.

Locally stored information is subject to the security protections provided by your device and operating system.

6. Children's Privacy

The Game does not knowingly collect personal information from children through gameplay.

If you have any questions or concerns regarding children's privacy, please contact us using the information provided below.

7. Data Retention and Deletion

Game progress and settings may remain stored on your device until you clear the Game's application data or uninstall the Game.

Device backup services may independently retain copies according to your device settings.

We do not retain copies of your local gameplay data on our servers.

If you voluntarily contact us by email, we will use the information you provide to respond to your inquiry and retain it only as long as reasonably necessary for that purpose.

8. Changes to This Privacy Policy

We may update this Privacy Policy from time to time to reflect changes to the Game, its features, or applicable requirements.

Any updates will be published on this page with a revised date.

9. Contact Us

If you have any questions or concerns about this Privacy Policy, please contact us.
