

EKKO'S ABILITIES AND QUIRKS

ABILITIES

- HYPER-ACUTE/SUPER-SENSITIVE HEARING (CAN HEAR DISTANT SOUNDS MUCH, MUCH FARTHER OUT THAN ANY OTHER SPIRIT)
- VOICE PROJECTION ACROSS VAST DISTANCES
- MAKE SOUNDS BEND AROUND OBJECTS, RATHER THAN THROUGH THEM (EFFECTIVE FOR SHARING SECRETS/PLANS)
- NULLIFYING/DAMPENING SOUND WAVES (BENEFICIAL FOR THUNDERSTORMS OR STEALTH)
- SONIC SCREECH ATTACK (TYPICALLY USED AT THE RESONANT FREQUENCY OF DECAY CREATURES) (POKEMON'S HYPERVOICE ATTACK FOR REFERENCE)
- CAN UNDERSTAND ANY SPOKEN LANGUAGE AND SPEAK SAID LANGUAGES AS FLUENTLY AS HIS VERNACULAR (THOUGH HE NEEDS TO LEARN NON-VERBAL LANGUAGES, SUCH AS WRITING OR SIGN LANGUAGE LIKE ANYONE ELSE)
- CAN CHANNEL LIGHT INTO CREATING AN ENERGY FIELD AROUND HIMSELF, ALLOWING ALL INSIDE IT TO UNDERSTAND ALL LANGUAGES SPOKEN WITHIN THE BUBBLE (THOSE IN THE BUBBLE WILL BE ABLE TO CONTINUE TO BE ABLE TO UNDERSTAND EVERY SPOKEN LANGUAGE UTTERED IN THE BUBBLE EVEN AFTER THE ENERGY FIELD IS DISSIPATED {OPENS NEURAL PATHWAYS IN THE LANGUAGE AREAS OF THE BRAIN})
- CAN REMEMBER AND PERFECTLY REPLICATE ANYTHING HE HEARS, REGARDLESS OF WHETHER IT'S A VOICE OR OTHERWISE
- CAN SING AT ANY FREQUENCY NO MATTER HOW SPECIFIC

- SUMMONING INSTRUMENTS SIMILAR TO SUMMONING SPIRIT WEAPONS IN “WILL OF THE WISPS”
- CAN PLAY ANY MUSICAL INSTRUMENT WITH EASE (MUSICALLY INCLINED)
- CAN GENERATE TREMORS BY SINGING IN SUBSONIC FREQUENCIES (CAN BE HIGHLY DESTRUCTIVE, SO EKKO WOULD ONLY USE THIS IF ABSOLUTELY NECESSARY)
- CAN CONJURE ORBS OF SOUND FOR REMOTE SONIC BLASTS (WEAKER THAN HIS SCREECH ATTACK, BUT CAN CREATE MULTIPLE OF THEM)
- CREATE REGIONS OF PERFECT, ABSOLUTE SILENCE (INVERSE TO HIS LANGUAGE TRANSLATOR FIELD). IN THESE "SONIC DEAD ZONES", YOU WON'T BE ABLE TO HEAR ANYTHING AT ALL, NOT EVEN YOUR OWN BREATHING, YOUR HEARTBEAT, NOT EVEN THE RINGING IN YOUR EARS YOU HEAR WHEN YOU USUALLY LOSE HEARING
- AMPLIFY SOUNDS TO WHERE THEY CAN BE FAR, FAR LOUDER THAN NORMAL
- FOCUS HIS LIGHT THROUGH HIS EARS TO EXPAND HIS RANGE OF HEARING
- USE HIS ECHOLOCATION TO EFFECTIVELY SEE THROUGH WALLS AND FLOORS
- ECHOLOCATION
- CAN TELL IF SOMEONE’S LYING BY HEARING SUBTLE SHIFTS IN BODILY FUNCTIONS (CHANGE IN HEART RATE, BREATHING, ETC.)
- CAN USE SONIC LEVITATION TO SUSPEND SOMETHING IN THE AIR (DOESN’T HAVE EXCELLENT CONTROL OVER IT, STILL LEARNING AND

FIGURING OUT HOW TO DO IT RELIABLY AND CONSISTENTLY, REALLY FINICKY)

- SPIRIT WEAPONS RESEMBLE MUSIC NOTATION
 - A. SWORD: QUARTER REST
 - B. HAMMER: QUARTER NOTE
 - C. SHURIKEN: SHARP NOTATION
 - D. THROWING KNIFE/DAGGER: FLAT NOTATION
 - E. BOW: FERMATA
 - F. SHIELD: GONG
 - G. CHAKRAM: WHOLE NOTE
 - H. NUN CHUCKS: DOUBLE EIGHTH NOTE (🎵)
 - I. WHIP: TREBLE CLEF
 - J. SCYTHE: UNPAIRED EIGHTH NOTE (PREFERRED WEAPON OF CHOICE)
- RHYTHMIC RESONANCE: WHEN EKKO ATTACKS IN TIME TO THE MUSIC HE'S SINGING/EMITTING, HIS ATTACK POWER AND SPEED GROW STRONGER EACH TIME THE ATTACK IS SYNCED TO THE BEAT OF THE MUSIC

QUIRKS

- HAS A FORM OF SYNESTHESIA WHERE DIFFERENT SOUNDWAVES HAVE DIFFERENT COLORS AND TEXTURES (I.E. DECAY SOUNDWAVES ARE DARK PURPLE-BLACK AND APPEAR SPIKY)
- IS SEVERELY ASTRAPHOBIC (SENSITIVE HEARING MAKES THUNDERCLAPS GO FROM SCARILY LOUD TO SKULL-RATTLINGLY LOUD; EKKO IS ALSO AFRAID OF

GETTING WHIPPED AROUND BY THE WIND AND CRASHING BECAUSE OF IT,
AS WELL AS GETTING DIRECTLY STRUCK BY LIGHTNING, BOTH DUE TO
BEING A SPIRIT CAPABLE OF FLIGHT)
