

0:00 THEME OF SLAYER; KOREAN

0:36 welcome to the castle super done cast~! Woolie's got a headache today. Did some power streaming and its been a tough news week.

- 2:30 latin american countries: time to sanction japan over the reintroduction of rugal in kof
- 3:03 suffering from not so existential ennui. Nonplussed and its meaning
- - 4:46 societal ennui
- 6:35 woolie's shit is negative on block. Just do raw supers bro. Double corkscrew blows
- - 8:35 marn beating daigo

WEEK OF THE BEAST LORDS

WOOLIE

9:22 [ELDEN RING](#)

43:56 FF6 continues. Pat and paige saw the bit on reggie composing a love letter using FF6's opera

46:12 watched turning red. 2 shots being the entire movie: the phone and the mom walking down the street

- 47:08 people who would benefit from watching this movie with their parents. Pat goes to a friend's house.

- 51:15 the most likely outcomes of watching this movie with your parents. Comparing to encanto

- 52:44 establishing personality

54:21 Guilty gear strive mods. Sin is in. Goku is also in.

57:00 tried out ultimax, the 2.0 arcade update. Trying out online without rollback. Welcome to the ocean depths

- 59:22 pat is excited for the next fighting game round table

1:00:02 go check out woolieversus on twitch, twitter, and youtube! Will be doing CvS2 on saturday and the charity stream on sunday! Go check it out for the sake of charity! The goal is to NOT say "f them kids" live on stream.

PAT

1:02:06 Pat saw his family for the first time in a while. Brought zangief. His nephew played with him. His brother was NOT there.

1:05:13 played indie games. And played ghostwire tokyo.

- 1:06:20 on why it would rub people the wrong way: not many weapons or many enemies

- 1:07:20 the boss fights

- 1:07:55 feels like it will be seen as a flawed gem

1:09:17 triangle strategy. Its a gorgeous strategy RPG with bad pacing. Like starting persona 5. Plots more interesting than octopath. Fight sequence at the start seems like a "oh damn there's no gameplay after 5 hours..."

- 1:11:00 is the setup engaging? Yes. and the strategy RPG parts are fun

- 1:12:37 comparing to 13 sentinels and final fantasy tactics

1:13:43 tunic. Someone REALLY likes links awakening. Lots of fun exploration. Its really good.

- 1:15:38 in game language and collecting the instruction manual

- 1:17:39 reminds woolie of a supergiant game.

1:18:39 anno: mutationem. Its a really cool game. Translations a bit rough.

1:22:45 golden light. The most violently anti human game he's ever seen. Designed for non-humans. Tryin to mess with the resolution

- 1:25:05 bloodborne PSX's resolution foibles

- 1:26:09 everything is meat, eat all the meat. Save your girlfriend. Pat had to uninstall on video.

- 1:29:19 an incredible art piece that pat could not play. Checking the steam promises.

- 1:31:30 adjusting to an indie game's pace

1:34:10 go check out pat over at patstaresat! He'll play weird west and ghostwire tokyo this week

1:35:24 SPONSOR: STITCH FIX

## NEWS

1:40:00 time to play wholesome/not wholesome! Starting off, 3rd fighting game round table begins.

- 1:41:09 testament is here in strive! An actual real character. Gender neutral implies the existence of gender footsies

- - 1:45:00 what will be the pose for testament?

- - 1:45:58 being a more normal character

- - 1:47:16 the leak list deconfirmed, on what "that man" would play like

- - 1:49:44 the old daisuke interview. They have surpassed humanity, just like me

- 1:51:12 collaboration costumes for virtua fighter with tekken 7. On doing well in japan, not doing well globally

- 1:55:34 Omega rugal for KoF15. Boss mode rugal is here too!

- - 1:56:57 SNK bosses

- 1:59:00 tekken bloodline coming to netflix. A surprise in terms of artstyle.

- - 2:00:30 following kid jin. Pat wanting to see heihachi beat up jin

- 2:02:17 Street Fighter V getting an update. Lots of changes.

- 2:03:38 free to play as an avenue for fighting games. "We'll leave it up to marketing." Project L being on the horizon

- - 2:07:56 for free to play, it needs to be with characters people care about

- 2:09:13 pat sees in chat that supposedly harada said fortnite, apex, and warzone are all the same

2:11:14 Elden ring had a good sales performance. Probably expanding it beyond just games.

- 2:12:17 the attitude of "it's becoming a movie, it's real now."

- 2:13:06 on how to adapt a fromsoft game. Woolie wanting something narrated by sean bean

2:15:08 Elden ring has fake walls and floors with super high HP bars. There seem to be some of them and they seem to be patchwork jobs instead of putting a proper wall with collision there

- 2:19:55 woolie would not be surprised if miyazaki came out and said "there are 10 year secrets in this game."

2:20:54 fromsoft employees have low pay and poor working conditions, supposedly

- 2:23:57 word in the chat that apparently this is decade old news

- 2:27:51 elden ring being magnitudes more popular than DS3, comparing to skyrim's sales

2:30:29 bandai namco mobile trying out 4 day work weeks

2:30:44 xbox has announced sonic the hedgehog 2 controllers, and they are fuzzy.

2:33:33 new witcher saga coming. The end of the fiscal quarter announcement. Working with epic to use the unreal engine

2:36:46 folders on switch

2:37:05 wii and dsi channels are down worldwide. "No play, only remember."

- 2:40:07 nintendo's place in the industry

- 2:43:36 you may not even be able to buy it later

2:45:54 chocobo GP is a full priced game. Has a lite version too. There's microtransactions even in the full priced version. Not paying means a real horrible grind. You can't even save the free points.

- 2:52:10 people finding the best way to monetize and then roll back to something saner, FFXIV fighting back against stuff like this. On office loyalty and appeasing investors

2:56:23 Gran turismo 7 is even worse than chocobo GP. having a low user score. Single cars costing 38 dollars, the post review patch being a completely different game

- 3:00:34 lootboxes, and apparently rigging the boxes to always get the lowest rewards

- 3:02:20 statement from 4 days ago: "we're going to try and emulate how it is in real life."

3:06:36 bully 2 is here! And it has magic apparently. Hogwarts legacy.

- 3:09:14 pat on a book series he read as a kid 'thats a series of libertarian fantasy novels!'

- 3:11:02 pat on his experience with harry potter and rowling's spiral downward. On death of the author

- 3:15:48 kenshin fans: "amateurs."

- 3:18:58 people will keep trying to make money off of it.

- 3:19:44 people who do anything creative should do their creative thing and then never leave their house or go on social media again - pat

- 3:20:49 "if an IP enriches your life it is unreasonable to disown it if someone integral to it's creation turned out to be a shit person."

- 3:24:10 It's reasonable to point out rowling is a terrible person

- 3:26:07 this coming out right on the heels of testament's reveal

- 3:28:28 getting attached to IPs and making them part of your personality

- 3:31:19 pat: people who eat pickles are subhuman
