

## CALL FOR STAFF MOBILITY TO THE UNIVERSITY OF KALISZ

We take a practical approach to our mission and our students take a practical approach to their future. And with great effect. Knowledge combined with experience - this is what we focus on, because how else can you find out if this is the profession for you? The laboratory base of Kalisz University President Stanisław Wojciechowski offers students the opportunity to gain practical skills and develops students' scientific interests. Together with us, you will experience real learning, be able to show your creativity, and improve your teamwork skills. We put at your disposal nearly a hundred pieces of specialized equipment, teaching aids, laboratories, and specialist stands.
