

Do you realize that the Terrorist Watch List is purposely populated with hundreds of thousands of completely innocent Americans with **NO** terrorist leanings or contacts, much less any criminal record?

And that these are the scape goats you are helping **DHS / FBI / Fusion Centers** and their secret, unconstitutional civilian armies persecute, torture, and murder for the profit of criminals within the Federal Government?

You see, people on the Watch list declared non-humans and contracts are sold on them to use them for lethal experimentation.

The contracts are worth billions.

Can you spell, **h-u-m-a-n t-r-a-f-f-i-c-k-i-n-g!**?

Did you go into law enforcement to help transition the USA from a free country into one of a subhuman, totalitarian predator and prey "society" (a dystopian nightmare)?

Where **YOU** are being used to facilitate heinous **human rights abuses against innocent citizens**, including a large number of women and children, in order to aid and protect the **monstrous psychopaths, murderers and pedophiles** who are running our abusive government?

Do you have a "Don't care if it's right or wrong, just doing my job" mentality?

The early 21st Century will be regarded as the Dark Ages of SHAMEFUL law enforcement BETRAYAL when it ALLOWED hundreds of thousands of innocent people to be tortured and murdered under their noses.

Now, ARE you an OATH KEEPER and PATRIOT who supports the PRINCIPLES UPON WHICH our country was FOUNDED? Or are you a thug for the New World Order, which invaded, infiltrated, and usurped the US government in order to commit genocide with your passive and active help?

Are you the watchmen who fell asleep on the wall and allowed the USA to be destroyed from within?

DEMAND that your bosses STAND UP TO seditionist Feds such as the DHS, FBI and Fusion Centers and TAKE BACK OUR COUNTRY.!

DEFEND THE CONSTITUTION.!! There is no such provision in the Constitution for an almost 20 year "STATE OF EMERGENCY" where it's relevant importance can be suspended.

WAKE UP.! Refuse to sit back and allow crooked Feds to torture and murder innocent people for profit in the BIGGEST HUMAN RIGHTS and WAR CRIMES SCANDAL in the history of the USA 

"THE TERRORIST WATCHLIST SCAM"

Which is enveloping more and more innocent people every day, as you do nothing. Do you imagine you and your families are protected? No, you are not. When Communism takes over a country, millions die.

We are in the last stage of the end coup, just before the slaughtering by the Deep State DHS / FBI / Fusion Centers is made public.

Protect your country and your families or just sit back and surrender to evil because you were simply not up to the job of protecting anyone anyway?
