### RULES:

- 1) Color-specific grade level team shirts distributed on race day to wear.
- 2) You will race during your grade level time slot, when your class is called even if you are missing someone on your team.
- 3) All class mates are encouraged to participate for your team to be counted in the final grade level and overall team standings. The class teacher may compete with his/her class.
- 4) All team members must successfully complete each obstacle before advancing to the next obstacle.
- 5) Volunteer will mark down the exact start time and stop for your class. The time clock stops when all team members cross the finish line. Time will be recorded from the volunteer at the TIME TABLE station.

- 6) If a team member is injured on the course and cannot continue they are to wait for medical assistance. If a team member is struggling between obstacles they need to be helped by their teammates – no tough middler left behind!

#### **AWARDS:**

- Individual class team pictures taken immediately after each full team crosses the finish line.
- The 4 Grade Level Team Champions and 1 Overall Team Champion announced after the last 5th grade period 1/7 class competes, receives a traveling trophy, and recognized at Nov. all-school pep assembly.
