## Community Table Registration and Guidelines

White Salmon Farmers Market: Tuesdays, June – September, 4pm – 7pm, Rheingarten Park

The Community Table offers community members a low-risk and cost-effective way to try selling at the market. This is also an opportunity for vendors to sell quantities that would not justify a full booth. It's a good place to learn marketing techniques and get a feel for selling at a farmers market. **The community table booth fee is 10% of total sales.**

Crafts, arts and most other inedible goods are not permitted at the community table. Cut flowers are permitted. Full booth spaces may be available upon completion of vendor application.

Drop-in Community Table space may be available but space is limited. Email whitesalmonfarmersmarket@gorgegrown.com or call 541-490-6420 to ensure your space. Space may be reserved up to one week before the market.

**The purpose of the Community Table is to:**

- o Provide a direct market outlet for home gardeners with extra produce
- o Provide an outlet to new farmers and backyard gardeners who are not yet ready or able to operate their own stall
- o Add to the diversity of the products at Gorge Grown Farmers Markets

A vendor's ability to sell at the community table may be reassessed after using the Community Table four times during one market season. After that, market staff may refer the Community Table vendor to a full or shared booth space at market.
