

Privacy Policy

Jadwal Servis Kendaraan

This Privacy Policy describes how our mobile application handles user information.

Information Collection and Use

The Jadwal Servis Kendaraan application is designed as a tool for personal vehicle maintenance tracking. This application operates purely offline. We do not collect, store, or transmit any personal information, location data, or vehicle identification numbers to any external servers. All data you input regarding your vehicle and its service history is stored locally on your own device.

Third-Party Services

This application does not use any third-party services for data collection, analytics, or advertising. It does not use Google AdMob, Firebase Analytics, or any other third-party SDKs that could potentially track your activities or collect your Advertising ID.

Data Security

We value your trust in using our application. Since all data is stored locally on your device, the security of your data depends on the security measures you have implemented on your mobile device. We do not have access to your data.

Children's Privacy

These Services do not address anyone under the age of 13. We do not knowingly collect personally identifiable information from children under 13. Since no data is collected from any user, the privacy of children is fully protected.

Changes to This Privacy Policy

We may update our Privacy Policy from time to time. Thus, you are advised to review this page periodically for any changes. We will notify you of any changes by posting the new Privacy Policy on this page.
