

**BITTERROOT EARLY LEARNING NETWORK**  
**Nurturing Minds, Connecting Communities**

# Substitute Teacher

## Position Profile

Bitterroot Early Learning Network (BELN), a 501(c)3 nonprofit organization, is dedicated to serving the Bitterroot Valley. At BELN, we operate as a collective, governed by a Board of Directors. As a nonprofit, we do not retain profits; instead, all income generated is reinvested back into its programs.

### **Mission Statement**

The mission of the Bitterroot Early Learning Network (BELN) is to empower children and families within a secure, respectful, and celebratory learning environment, while strengthening our wider community.

### **Vision Statement**

We envision a future where each family within our community is empowered to thrive and flourish in a world of continuous change. Our safe and nurturing educational programming is a cornerstone of respectful relationships, and we champion the celebration of everyday life. Together, we aspire to build a stronger, more inclusive community that supports and uplifts all its members, fostering growth, resilience, and shared success.

### **General Purpose**

BELN is a nonprofit organization sustained by the dedicated support of its staff and community. We are committed to providing inclusive early learning services and educational programs that empower children and families and local businesses. At BELN, we uphold principles of diversity, equity, and inclusion, ensuring that individuals are welcomed and valued regardless of income, sex, gender, race, color, national or ethnic origin, creed, or disability.

### **Core Values:**

- **Place-Based Education:** Our organization prioritizes Place-Based Learning to enrich education and support services, forging a strong bond between children and their local environment. This approach nurtures a sense of belonging, instills community commitment, and empowers children to become responsible, engaged citizens.
- **Family First:** Recognizing families as crucial in a child's holistic development, we offer steadfast support, valuable resources, and educational opportunities for parents and caregivers. Our family-centric approach encourages active participation in children's growth, acknowledging families as primary educators.
- **Advocate:** Our advocacy for quality care stems from the belief that accessible, high-quality care is vital for children's well-being and local economic growth. We aim to ensure every child has safe, enriching care opportunities, advocating for affordable options to enable parents' workforce participation.

## **Position Overview**

The Substitute Teacher provides classroom support in the absence of regular teaching staff, ensuring a safe, nurturing, and engaging learning environment for young children. This role involves following daily routines, supporting play-based and nature-inspired learning, and maintaining a caring, responsive atmosphere that aligns with BELN's mission to center children and families. Substitutes may work with infants, toddlers, or preschoolers depending on program needs.
