

We are pleased to announce that the poster session will be held during the upcoming **AIMS-2025**, scheduled to take place on **December 03-04, 2025** at Academic Block of University of Education, College Road, Township, Lahore. This session provides an excellent opportunity for researchers and scholars to present their work visually and engage in meaningful discussions with fellow attendees.

Guidelines for Presentations:

Poster Setup: Presenters are requested to set up their posters at least **30 minutes before** the session begins. Boards and mounting materials will be provided on-site.

Poster Dimensions: Please prepare your posters in portrait orientation. The recommended poster size is **[36"x48"] width x height**, ensuring that all content is easily readable from a distance.

Content: Your poster should include a clear title, author names, affiliations, introduction, methodology, results, conclusions, and references. Visual elements such as graphs, charts, and images can enhance the presentation.

Presenter Attendance: At least one of the authors must be present at the poster during the entire session to answer questions and engage with attendees.

Networking Opportunity: Use this session as a chance to network with fellow researchers, scholars, and industry professionals. Prepare a brief pitch about your work to facilitate discussions.

We encourage all attendees to visit the poster session and engage with the presenters. It is a valuable opportunity to learn about cutting-edge research, exchange ideas, and foster collaborations within the academic community.
