Where **Jerry Brown** was Mayor while **Willie Brown** Assembly speaker.

By the 1960s, the **Jim Jones Temple** liken to the (*Santa Cruz Resource Center of Non-Violence*) had become a *political force* and tool for the **Billionaire Foundations** selling **Communism** and **Socialism** to the diluted victims of their **illegal globalist monopolies**.

As it was in San Francisco, so it was in Santa Cruz ...

The many .. well meaning “ justice warriors were turning out **busloads of volunteers who would walk precincts, even travel to Sacramento funded by the taxpayers to ...** push for more “government control”.

Claiming ... that **their reforms** ... was **Democracy** ... when really it was the **centralization of power**. This power “of course” aggregates to ... **the multinationals and Central Banks**.

The very people ... my family including myself ... have been tricked as “Well-Meaning Reformers” ... *few who ever realized* ... that the many of our actions against those abuses ... Were **designed** by the abusers themselves.

They hate the Constitution ... by design ending self-government ... and their control ... rested on the destruction of the **(compartmentalized power)** meaning making laws governing the people under any emergency is very difficult. .

Pedophilia was rampant among the California political elite. Jim Jones was like the Pizzagate boyfriend David Brock (Media Matters) **allegedly procuring children for Satanic rituals**. And a **rent a mob** similar to groups hired by George Soros.

note

John Laird. A key point of contact was **Hugh DeLacy**, Panetta's friend and correspondent, from at least 1976, until his death in 1986. DeLacy was a long time **Communist Party USA** member, who worked closely with members of the California Communist Party splinter group who went on to form the pro-Chinese **New American Movement**, which in turn joined with the **Democratic Socialist Organizing Committee** in 1982, to form **Democratic Socialists of America**.

Santa Cruz New American Movement and later **Democratic Socialists of America**, effectively took over the **Santa Cruz City Council** , after New American Movement members **Mike Rotkin** and **Bruce Van Allen**, joined with DSOCers **Mardi Wormhoudt** and **John Laird** to form a majority on the Council in 1981.

Another local **DSAer**, former **Trotskyite Gordon Haskell** served on the **Santa Cruz Democratic Party Central committee** for many years, while several other comrades held senior posts in the local party.

On September 6, 1986 **Leon Panetta** addressed a memorial service for **Red Chinese Spy Hugh DeLacy**.

Bruce McPherson worked for **California Forward** co-chaired by **Panetta** and funded by **Rockefeller** (CFR globalist types). **McPherson** and his board of **Supervisors Continue to figuratively ... slap veterans in the face** by maintaining two plaques on the **court house steps** honoring the **Communist Espionage Agent Hugh deLacy**

John Laird, a columnist for the **Lavender Reader**, a commentator on "**Closet Free Radio**", a founding member of the **International Network of Gay and Lesbian Officials**—and was an original board member of **BAYMEC**, the **gay** and **lesbian** political action committee for **San Mateo, Santa Clara, Monterey** and **Santa Cruz Counties**. In the **California Assembly**, **John Laird** served as chair of the **California Legislative LGBT Caucus**.

John Laird is a present appointee of **Governor Jerry Brown**.

For example there were photographs of **James Alefantis** holding a small girl, he had added the **hashtag #ChickenLover** to the post. In pedophile slang a chicken lover is someone who has a taste for **very young boys**. **Alefantis** also shared a picture showing a **young girl** who had her arms taped to a table.

John Laird (made his way to the state legislature) a close friend of **Panetta** and **espionage agent Communist DeLacy** had a venture to favor non heterosexuals to land government jobs. Consenting adults have a right to behave they way they want as long as they don't hurt anyone else. But **recruiting and baiting children is a crime** where there is no excuse and the sheriff should prosecute or he is complicit.

James Alefantis and David Brock were "Lovers".

Clinton Operatives.

David Brock founded the **progressive** media watchdog group **Media Matters for America** which describes itself as being "**dedicated to comprehensively monitoring, analyzing, and correcting conservative misinformation in the U.S. media.**" Brock was named to the board of **Priorities USA Action** as the **super PAC** announced its support the **Hillary Clinton** presidential run in 2016. **George Soros** funded.

Commonwealth Club has been said to have an interlocking directorate with the **Bohemian Club** ... that annually conducts the Satanic ritual of **The Cremation of Care** (burning of children in effigy and maybe more.

Nixon attended Bohemian and said this:

The evidence shows that Panetta had a close and personal relationship with a member of the Communist Party by the name of Hugh DeLacy, whose record included meeting with communist espionage agents.

Any objective standard of journalism, this should be big news. But the media, liberal and conservative, took no time off from manufactured headlines to pay attention and examine the evidence.

However, the Ware Group was divided into “**two sinister stems**”—1)the Soviet espionage apparatus, and 2) the apparatus associated with such figures as Alger Hiss, later convicted of perjury for denying he was a communist spy.

The second apparatus was “**more important**” and “still lies in the shadows,” Chambers ominously wrote..

Alger Hiss, Chambers wrote, “was no ordinary Communist. My own first impression of him had been brief, but his manner told me something, and from Peters and Ware, I had learned enough of his background to know he was highly intelligent, but without real Communist experience. Like almost all the Washington communists, he **belonged to a new breed—middle-class intellectuals** who had **gone directly underground** without passing through the open party.”
