

Privacy Policy — Bingo Blaze

Last updated: December 2025

Introduction

Welcome to **Bingo Blaze**, a fast-paced number-tapping arcade game.

This Privacy Policy explains how the app handles user information. We respect your privacy and are committed to protecting it. By installing and using **Bingo Blaze**, you agree to the terms described in this Privacy Policy.

Data Collection

Bingo Blaze does not collect any personal data.

The app does not request, store, process, or transmit any information that can be used to identify users. The game is fully functional offline and is intended solely for entertainment purposes.

Specifically, the app does **not** collect:

- Account or registration information
- Email addresses or phone numbers
- Personal details of any kind
- Device identifiers
- Location data
- Analytics data, tracking information, or crash reports

Data Sharing

Since **Bingo Blaze does not collect any data**, no information is shared with third parties, advertisers, service providers, or external organizations.

Advertising and Monetization

Bingo Blaze:

- Contains no advertisements
- Does not use advertising SDKs
- Includes no in-app purchases, subscriptions, or monetized features

Permissions

The app does not request or require any sensitive permissions.

Bingo Blaze does not access:

- Camera
- Microphone
- Contacts
- Storage
- Location

The game operates safely without accessing personal or device-related resources.

Children's Privacy

Bingo Blaze is suitable for users aged **3+**.

The game contains no violent, explicit, or inappropriate content and does not include chat, messaging, or social interaction features. No personal data is collected from children or any other users.

Security

Although the app does not collect personal data, we apply standard security practices to ensure **Bingo Blaze** remains safe, stable, and free from malicious components.

Changes to This Privacy Policy

This Privacy Policy may be updated from time to time, for example if new features are added or legal requirements change.

All updates will be published on this page with a revised **“Last updated”** date.
