

End of Year Directions for Parents

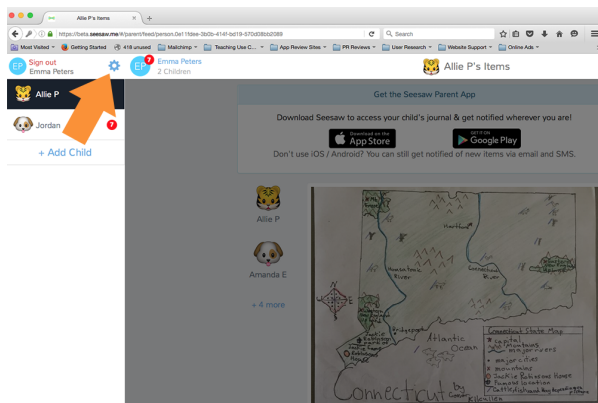

Here's how to download a .zip archive of your child's Seesaw journal, including images, videos, audio recordings, and text notes or captions.

Step 1: Sign into your parent account at <https://app.seesaw.me>

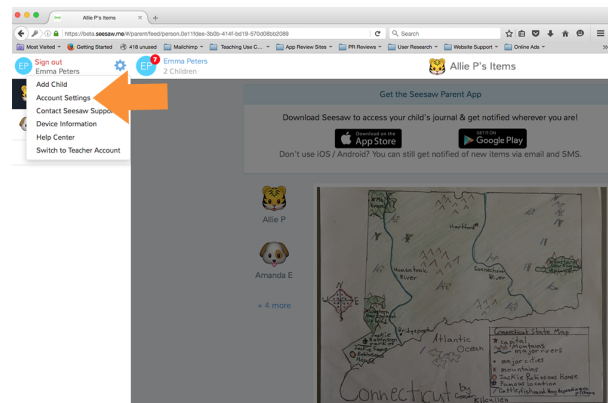

Step 2: Click on your Profile Icon on the top left

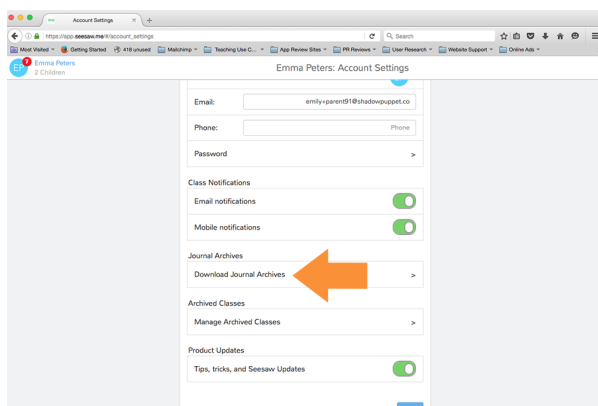

Step 3: Click on the Gear Icon

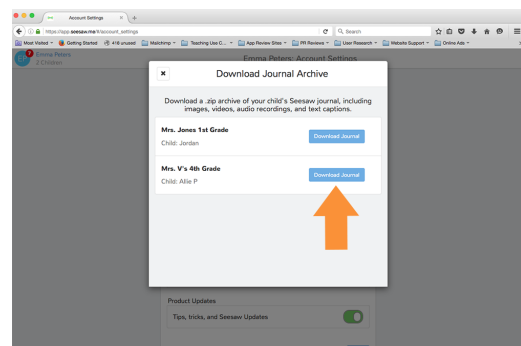

Step 4: Click on Account Settings

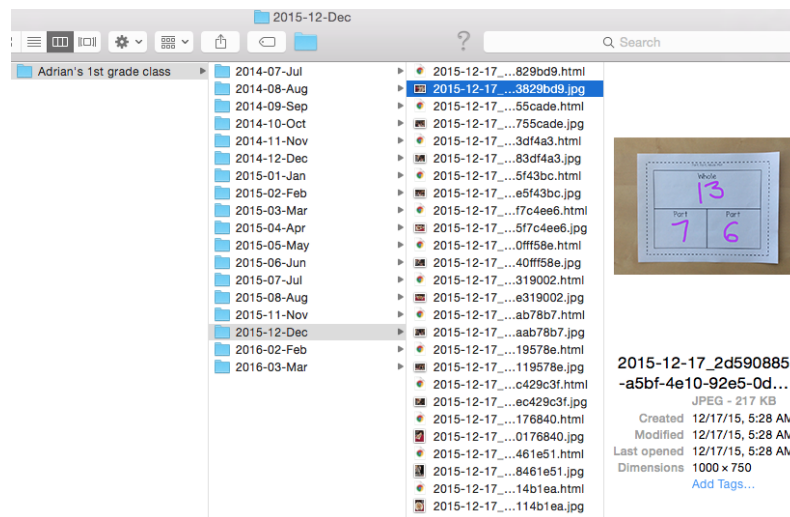

Step 5: Scroll down and click on Download Journal Archives

Step 6: Click on the Download .Zip button for the journal you want to download. This might take a while depending on your internet speed and how many posts your child has in Seesaw.

This is what you get! It is an organized by month and then ordered by the date the post was added. You'll see an html file with a thumbnail, text notes or captions, folder names and links (if the post used the link item type). You'll also see the original image, video, or audio files.

After a class has been archived by the teacher (usually at the end of the school year), parents will have 60 days to download the .zip archive of their child's journal. Seesaw will notify parents automatically about this option with instructions (like above) when their child's class is archived.
