The Legend of Zelda: Tears of the Kingdom - Official Gameplay Demonstration

Source: [Nintendo](#)

- Game is 100% complete
- New power, "Recall" which rewinds an object's movement. Example used was Recalling a rock that had just fallen to reach a sky island
- Weapon Degradation is back
- New power, "Fuse" allows you to stick two items together to have makeshift and more powerful weapons, arrows and shields. Examples used were taking a tree branch and a rock found out in the open to create a hammer and also fusing two separate weapons together.
- Fusing also works with arrows and items in your inventory
- New power, "Ultrahand" allows you to attach items in the world to each other. This is how you can make things such as boats and other vehicles.
- New power, "Ascend", allows you to pass through anything that has a ceiling and get to the floor above you. Example used was going into a cave, using Ascend to get to the ceiling and warping through to the top of the hill outside.
