

Lynx Brands

At Lynx Brands our mission is to offer great quality safety products at revolutionary prices. At Lynx Brands we are proud to be a very lean business where efficiency and productivity are keys to our success. By maximizing our resources we are able to reduce cost and pass on those savings to our customers. We offer great foam ear plugs at revolutionary prices. We aim at developing long lasting relationships with our customers. We understand their needs and listen and act on their feedback. We provide outstanding quality to our clients with very great customer service. We uphold the highest standards of integrity in all of our actions. We are good citizens in our communities and give back every year 1% of our profit to various charities.
