Volunteer Form 2024-2025

Welcome to one of the best NJROTC programs in the state. The volunteer support we receive from our cadets and parents helps set us apart from other programs. We could not accomplish everything we do without your support. There are many ways you can help support the program. Each year, SV NJROTC hosts the Hill Country Challenge Drill Meet. During this event, we will need help preparing food at concessions and for the visiting teams. We will also need donations of concession items, ice chests, and pop-up tents. There are also other events throughout the year in which we need volunteers and donations of food or drinks. If you are interested in helping, please fill out the information below, and we will contact you before the event. Thank you for your help and support of our NJROTC program!
