Sector-11, Chandigarh
Quit India Movement**

Report

Date: 12.08.2023

The Department of Public Administration and Department of Defence & Strategic Studies, PGGC-11 have organised Documentary competition on theme Unsung heroes of Indian National Movement , Declamation and Patriotic Poem Recitation on theme Patriotism on the occasion of Quit India Movement dated 08.08.2023. Several students marked their presence as participants as well as audience with their keen interest. Students found it as a way to express their gratitude and reverence towards freedom fighters. India celebrates the Quit India day to honour the historic civil disobedience movement against British domination. The Quit India Movement marked a turning point in India's struggle for Independence and is remembered as the symbol of self-rule and nationalism by the people of India.
