Individual Fundraising: all funds raised by the student are used to offset the expense of the student's own fees. Individual fundraising is not required.

Group Fundraising: all funds are grouped together and applied to the costs of the program/activity as a whole. Group fundraising is required.

If the fee you are requesting for the 2025-2026 school year is higher than the approved fee for the 2024-2025 school year, please explain the reason for the increase in the fee:

The cost of the National Educators Rising dues, Fall Training, and State Competition increased. If a student qualifies for the National Competition the cost of travel has increased so the updated amount reflects this.
