

Welcome to Reeves!

Please help your Roosevelt, Boston Harbor, or Madison student choose an elective in Skyward **before April 17th**. Current transfer students will not be able to register until they have filled out a transfer request and it has been approved; Mrs. Martin will reach out about elective selection.

Sixth Grade Classes:

All students take four core classes: Math, Science, Social Studies, and ELA. They are also required to take one semester of PE and one semester of Health. Each student will choose one year-long elective to complete their 6-period day: Band, Choir, Orchestra, or Art. Please note, year-long electives may be impacted by Special Education or Multilingual services.

- Art: Develop an understanding of the elements and principles of art, and learn to demonstrate them. Draw and paint in different styles, test your pottery skills, and more.
- Band: A performance-based class for students playing a wind or percussion instrument (trumpet, flute, etc.). There are required concerts during the year. No experience necessary to join.
- Choir: Have fun singing and making friends through team building, games, and learning songs. There are required concerts during the year. All voices are welcome, no experience needed.
- Orchestra: A performance-based class for students playing a string instrument (viola, cello, etc.). There are required concerts during the year. No experience necessary to join.

Requesting Electives:

1. Log in to your **student's** Skyward account through the OSD portal. Use the **"Log in through Google"** option.
2. Click the green **"Course Requests REEVES MIDDLE"** square. If you do not have this square, the address listed in Skyward for Family One does not fall within the Reeves boundary. Work with your student's **current elementary school** to get your address updated. If you are a transfer student, we will contact you once your renewal is processed to get your elective selected.
3. You will see the four available year-long electives (Art, Band, Choir, and Orchestra). Click the **green plus sign** next to the elective you want to take next year, then click **save**.

If you are a visual learner, please access our [welcome slideshow](#) for screenshots and a [link to a video tutorial](#).

Parents and guardians: If you are interested in being part of our **PTA** next year, please consider attending the June 3rd PTA meeting at 6pm in the Reeves library.
