

Jefferson Academy Elementary

Intramural Sports

Soccer

The registration for Jefferson Academy Elementary Intramural Soccer is open. This program will run for eight weeks. This sport is open to boys and girls in 5th and 6th graders of JA Elementary and Summit Academy. To allow for more students to participate, we will be offering practices on either Tuesdays **or** Thursdays. Your student will only participate on the day that they are scheduled. In the event that we don't have enough participants on one of the days, we will need to combine the practices.

- **Soccer on Tuesday or Thursdays beginning Sep. 9th or Sep. 11th.**

The soccer program will be held on the West field unless there is bad weather (students should have appropriate shoes for indoor practice in the event of bad weather), from 3:15pm- 4:15 p.m. Students will meet their coach in the commons at 3:10. Parents will need to pick up at the main entrance at 4:15 p.m. Practices are open only to coaches and athletes. However, we will have intrasquad games during the last week of the season. Parents, family and friends will be encouraged to attend those games.

In order for your student to participate, you will need to complete: the Registration Form, and the Athletic Emergency Card. **All forms and payment must be completed and turned into the office or homeroom teacher.** **Positions are on a first-come, first-serve basis. Registration will close when positions are filled** (Each sports registration will open two weeks prior to the first practice). There is a required fee of \$100.00 for 1 sport, \$75.00 for the second sport, \$50.00 for the third sport. **Because of the high number of students wanting to participate, students will be removed from the sport at the 3rd absence and replaced by someone on the waiting list if there is still more than 50% of the season remaining. Students will not receive a refund.** One T-Shirt is included in the registration fee for each participant. Please make checks payable to **Jefferson Academy**. The Intramural Sports Program is an optional after school program. Therefore, the fee is not included in the student benefits program.

It is highly recommended that you visit our intramural sports website and view our handbook. You can access this by visiting <https://elementary.jajags.com> >"Programs" tab> "Extra Curricular Activities". In addition, all schedules and announcements will be posted on this site.

Best Regards,

Travis Larkin
JA Elementary Intramural Sports Coordinator
