

REGISTRATION WORKSHEET 2026-2027 | 9th Grade

This worksheet is designed to assist you in the process of registering for classes for the 2026-2027 school year via Infinite Campus.

Worksheet Directions

1. Access the Parkway Schools Course Offerings to help you complete your registration. It can be found [here](#).
2. Your core classes will be pre-filled in IC. Complete your schedule by choosing additional courses for a total of 14 total semester courses.
 - a. Year-long courses are indicated in the course guides and have course numbers that end in 1 (for first semester) and 2 (for second semester).
 - i. For example, to sign up for *Algebra 1*, a year long course, you would register for 117101 AND 117102.
 - b. Semester long courses are indicated in the course guides and have course numbers that end in 0.
 - i. For example, to sign up for *Physical Fitness Concepts*, a semester long course, you would register for 087100
 - c. As a 9th grade student, it is recommended that you choose the following:
 - i. Two semesters of English (year long), Math (year long), Social Studies (year long), and Science (two individual semester long courses)
 - ii. One semester of P.E. (Physical Fitness Concepts)
 - iii. Five additional semesters of elective courses. These could include year long courses that take up two semesters, or single semester courses.
 1. These include classes from World Languages, Fine Arts, Career and Technical Education, and others.
3. You should have a total of 14 semester courses chosen. When you register in Infinite Campus, this will translate to 14 total units (1 Semester = 1 Unit).
4. You must select four (4) alternate elective courses in the case that the courses you request do not fit in your schedule.
5. Please pay close attention to course prerequisites in the course guide including grade level and previously taken courses.
6. If you have questions regarding placement recommendations, please contact the teacher leader at West High.
 - a. **English:** Shannan Cremeens, 314-415-5588, scremeens@parkwayschools.net
Mathematics: Kristin Judd, 314-415-5568, kjudd@parkwayschools.net
