

Arkadelphia Public Schools  
Nikki Thomas, Superintendent  
Jimmy King, Director of Support Services

**February 2026 Facilities Report**

- Roofers are working on repairs due to leaks that occurred after the winter weather at AHS
- Core samples have been taken in preparation for installation of a covered practice field.
- We have found and approved a vendor to install the AC at the field house.
- Issued purchase order to Suspended Systems to install acoustical sound panels in the gym at Peake over Spring Break.
- Working with architect on finishing up architectural design of new high school and with Nabholz on getting steel package ordered for early start on covered pavilion.
