Frank is part of the Class of 2026 at BASIS International School Guangzhou. He is interested in science (physics), mathematics, and computer science, and has been participating in computer science competitions such as USACO (currently platinum division) since Grade 6. He knows a wide variety of coding languages and is a member of his Computer Science club at school where he helps teach the field to middle & high school students. Outside of school, he enjoys reading, gaming, and animating. He looks forward to being a part of SaMi.
