Muffled Movie Moans

Rain Noises On Umbrella. Wet Footsteps. Hey, thanks for inviting me to the movies! It's been awhile since we've hung out! **Sigh...**I love going to the theaters; It's so cozy. **Car Splashing Puddle.** Whoa, you got drenched! Is that why you wanted to walk on the left of me? You know...if you keep being nice to me I'm going to think that you're into me...

Giggle. Relax... you don't have to respond to what I said. I'm just happy to get out of the house. It's been raining like this for days and it's getting kinda depressing. Oh, thank God we're already here!

Door Opens. Oh! Thank you for holding the door for me! **Door Closes. Footsteps.** I've been wanting to see this movie for so long.. I was scared that it would stop showing in theaters if I waited too long. Why didn't I go see it until now?... Well I wanted to watch it with you. Oh- It's nothing!

Giggle Haha you muted the movie title on Twitter so you wouldn't get any spoilers!

Giggle. I did the same.. and here I thought I was being paranoid. Watching the last movie I know this one would be just as great if not even better.

Bills/Coins Noises. Cash Drawer. Oh you didn't have to pay for me too... now I'm actually gonna think this *is* a date. **Giggle.** Thank you for the tickets. I'll get you the next one. Of course I will, I gotta pay you back.

Oh! We definitely have to get popcorn. Hmmmm....let's grab the large. With that, we get free refills right along with a soda. **Bills/Coins Noises. Cash Drawer.** Wait... why are you paying for everything again? Oh God I'm gunna have to up my game during our next date... I MEAN VISIT! OUR VISIT, YES OUR NEXT VISIT. Yes, yes, um... well... never mind that, sorry. **Giggle** Let's just uhhh... head to the theater? **Giggle.**

Footsteps. Door Opens. Ah, thanks for opening the door again haha. **Door Closes.** Let's go sit in the back row! There's less people back there. I know how much you don't like being around strangers. Plus, we can talk and not bother anyone. C'mon, let's go!

Chair Cushion Sound. Mhmm... these seats are pretty comfy. I'm just glad it isn't too freezing in here. Some places keep it cool even if it's cold and wet outside, but, this is kinda perfect, it's just a little chilly. Only thing missing is a blanket hehe. **Clothes Rustling Sound.** O- oh! You don't have to give me your hoodie...

You're going to give me the wrong idea... why aren't you saying anything? Haha I wish the lights here were brighter. I bet your blushing right now aren't you... Giving me your hoodie, just us two being alone, yeah, I'm positive that you are blushing right now. Yep

you being quiet answers the question. Well it's good to know that I'm not the only one who's nervous right now... what? I didn't say anything...

Here, gimme the popcorn. I don't care if it's just the previews now. I've been craving it since we got here. **Popcorn rustling.** The smell of the caramel always gets me. **Crunch.** Mmmm....**Chewing.** Ahhh....its so good, I miss theater popcorn.. **Light Punch.** What do you mean it's the same as the one I have at my place.

When you eat food at a different setting of course it's going to taste different and this is caramel kettle popcorn it's different! Yes I love popcorn so what. Hmp. Just shut up and have some. But umm are you sure you don't mind drinking from the same cup as me? **Giggle.** Okay that's good to hear that it doesn't bother you as well.

Sipping. Gulping. Ahhhh. What? You've seen this movie already? Who'd you go see it with? I-I'm sorry I meant- Oh you went to go see it with your friend group phew okay... W- what oh nothing... are you, okay with rewatching this with me? I don't want to waste your time... **Giggle.** Okay! Just don't spoil anything for me, alright?

No, I'm serious! I'll dump this whole bucket of popcorn on you! Don't test me. **Popcorn Being Thrown.** Heh, I'll do a lot worse than that. **Popcorn Being Thrown.** Ew! You're not allowed to throw popcorn at me just because I did it to you! Haha what do you mean? You threw a whole handful. I didn't even do that to you!- Wait, Shhh the movie is starting.

Mmmmm. So is there a lot of action in this or... Okay I *know* we're only 15 minutes into it, but if it's a lot of talking then I may pass out in my chair. Well duh, I'm so warm and cozy it's kind of a guarantee at this point. Especially with the hoodie you gave me.

Clothes Rustling. Oh... You're pulling this old move? Of *course* I'm going to roll my eyes when you put your arm around me. This is kinda cliché to be honest. **Giggle.** No wait. I didn't say to put your arm back. You're giving me a little more warmth which I can't complain about. Just don't get upset if I actually decide to doze off. **Giggle.**

Whoa... They're really going at it. Is *this* why you wanted to watch the same movie again? It must have been awkward watching this with a lot of your friends though... **Giggle.** Yea.. it is getting pretty hot in here. Here, move the popcorn. It's fine, just put it on the floor.

It seems you're struggling over there.. would it be okay if I were to help? What do you mean with what... I'm pretty sure you can put the two and two together. Me.. wanting us to sit in the back row, where no one can see us... I know you just invited me. But no matter what you say.. With it just being the two of us... this is a date... **giggle**

Popcorn Tub Hitting Floor. Clothes Rustling. Let me be more clear with you.. is it alright if I touch you down here.. It definitely feels like *somebody* is excited to see the same scene again. Were you like this the first time you watched it? Mhmm... I see. Yea.. you want me

Unzipping Pants Sound. Slow Stroking Sounds. Mhmmm. He's so big already~ Not only that, he looks *really* happy to see me. Am I right? **Kiss.** Hahh... Yeah... That's what I thought. **Stroking Increases.** There's something about stroking a cock out in public that drives me crazy. It's so sexy. Anyone can catch us right now; me just playing with your hard cock. But it doesn't matter. We have the whole row to ourselves. Just try to keep your own moans to a minimum. **Giggle.**

Sucking Sounds. Mhmmm... Hahhh... I wanna suck you off right... Mmmphhh... But I'm afraid it's too loud... Hahh... Just tap me on the head if people start staring. It won't get me to stop but... I'll try to keep it down. **Giggle.**

Oh! Looks like you're still ready to go. Maybe I need to do a little better. Wait, what are you- **Clothes Rustling. Chair Cushion/Creaking Noise.** Huh? You can't just pull me on top of you like this! Someone will see us! Just pull aside my panties? Are you insane? No, I didn't wear a skirt for "easy access." You really are a pervert.

Wet Noises. Ahhnnn...hahh...hahhh.. Please... Don't finger me like that. My... my panties are stuck in my ass. If... if you rub my clit with your thumb while you do that I'm gunna... Mmmphhh... S-stop... Okay? Okay I'll get on you... Just...
