

# Imperfect: Part II

Remember, the imperfect is used for past actions that are not seen as completed. Use of the imperfect tense implies that the past action did not have a definite beginning or a definite end. The imperfect tells **when -- in general**, an action occurred.

Good news! There are only three irregular verbs in the imperfect. You must simply memorize them.

Pronouns	ser	ir	ver
Yo	era	iba	veía
Tú	eras	ibas	veías
Él/Ella/Ud.	era	iba	veía
Nosotros/as	éramos	íbamos	veíamos
Vosotros/as	erais	íbais	veíais
Ellos/as Uds	eran	iban	veían

To review some of the rules for using the imperfect:

1. The imperfect is used for actions that were repeated habitually.
2. The imperfect is used for actions that "set the stage" for another action.
3. The imperfect is used for telling time and stating one's age.
