Student/Family Checklist for Selecting 6th Grade Courses:

You will need to log into your PARENT Synergy account to complete the following:

Review your core class list (Math, ELA, Science, Social Studies)

-If there is an error, please contact your child's elementary school counselor.

-If you would like to request another course level, please use the [Course Placement Review](#) (CPR) form.
(You **DO NOT** need to use a CPR form if your student is already in a GT level course.)

GT Research is added directly to the schedule by elementary school recommendation for students that qualify.

***NOTE- In addition, all 6th graders will have the following courses on their schedule:**

- Health (1 quarter)
- PE (2 quarters- *PE will show up twice in your requests and that is correct*)
- Tech Ed (1 quarter)
- Digital Citizenship (1 quarter)
- Intro to Readers/Writers Workshop (1 quarter)
- 21st Century (1 quarter)
- Boost Your Brain (1 quarter)
