Grades 9-12

Requesting Teacher – Susan Ward HHS

ThingLink is the leading platform for creating interactive images and videos for web, social, advertising, and educational channels. Be creative! Make your images come alive with video, text, images, shops, music and more! Every image contains a story and ThingLink helps you tell your stories.

Red Flags

\$35 per year for full access

Must be 13 to use

Many links lead outside of this site

Fields Required: Name, address [use school address],

Student Login Example:

Name: First name only

Notes: This site tries to link videos and music to a picture. It tries to pull this content from YouTube, Vimeo, and other online sites. These sites will be blocked for students. The images people upload could cause issues due to images not being filtered. Also there is no control over use of copyrighted images or other content.

We collect both Use Data (which as such does not contain personal data or other personally identifiable information) and Personal Data.

Personal data and personally identifiable information ("Personal Data"). In some circumstances we can also collect Personal Data, such as your name and address. This could occur upon you registering as a user of the ThingLink service. In such cases you will be clearly indicated what type of personal data we ask you to provide, and that Personal Data will be stored and processed in accordance with this Privacy Policy.

We view protection of users' privacy as a very important community principle. We understand clearly that you and your information is one of our most important assets. We store and process your Personal Data (if any) on computers located in USA or EU that are protected by physical as well as technological security devices. By using the ThingLink service, you give ThingLink Oy

a consent to store, process and transfer your personal information (if any) outside of your country of residence within USA. If you object to your personal information (if any) being transferred or used in this way please do not use the ThingLink service.

We do not knowingly collect personal data from anyone under the age of 13. If you are under 13, please do not use any features in the ThingLink service that would require you to provide Personal Data to us. Our services are available to people of all ages, but children under thirteen should only use the service under the supervision of their parents or guardians. If you are using the ThingLink service as a business entity, you (i) represent that you have the authority to bind the entity to these Terms of Use, and (ii) must sign up to a Business Account.

As noted above, ThingLink uses third party service providers (“Hosting Providers”) for hosting the service and storing the information collected from you and other users. Apart from Hosting Providers, ThingLink does not disclose your Personal Data to third parties

Extra Permission Required

Only students age 13 and above may use it.

Sites linked using this may be blocked for students.
