Report on Security Market Workshop

Department of Management collaborated with National Institute of Securities Market organized Workshop on “Security Market” from 10th January to 14th January 2022 via Google Meet.

Objectives of the event:

1. To create awareness about securities market.
2. Understand the basics of securities markets.
3. To protect the interest of people in the stock market and provide a healthy environment for them.
4. To discuss the future of security market.

Regarding the Event:

As we know financial planning is most important part of our life. In this workshop we looking forward to know about the the objectives, purpose, features and functions of securities market. It becomes important for us to understand the importance of financial planning.

With the same objective, an insightful and informative workshop on security market was organized by the Department of Management. At the outset the speaker and audience were welcomed by faculty coordinator Dr. Monica Chauhan Bhadoriya. The speaker of the session was Ms. Shruti Gupta, Trainer, SEBI, India. She enlightened the audience with the facts and figures of the security market. She gave the information regarding the importance and scope of security market in India. Various myths and FAQs were also discussed and clarified. Expert also answered to the queries of the audience satisfactorily.

The vote of thanks was given by Dr. Monica Chauhan Bhadoriya, the coordinator of the event. The workshop was very much interactive. The feedback of the workshop was very positive and it was a great learning for the students.

Outcomes of the event:

At the end of the event, the students learnt about:

1. Why should you invest?
2. What should be your investment objectives?
3. What are your investment options?
4. What care should you take while investing?
5. What if you have a grievance and whom do you contact for redressal?

Participants:

There were 63 participants from MITS.
