BS- Berea College, 2006
MS- Appalachian State University, 2014

Hello! I am Hope McClure, and I teach Kindergarten and First Grade. In 2008, I moved to Alleghany County with my husband, Sam, and I have been a teacher here at GCS ever since! My two children, Emily and Brice, both attended GCS and are now students at the High School. I earned my BS in Biology from Berea College and a Master's degree in Instructional Technology from Appalachian State University. In my 20 years of teaching, I have taught many different subjects and grades at our school. Being a teacher is not what I do; it's who I am, and the opportunity I have to be your child's teacher is truly a blessing.

If you ever have any questions or concerns, feel free to email me (hope.mcclure@alleghany.k12.nc.us), and I will get back to you as soon as possible.
