One of the roles of the school board is to engage the community to establish the mission and vision for the district. This listening session will help to create policies, support the conversation around budget and monitor the district's work towards our collective vision

Questions can include:

- What are the top three things you would like to see more investment or spending in?
- What are some of the values that should be driving our spending decisions?
- What are your top three challenges and concerns?
- What are you seeing that is working really well?
- What would you like to see more of?
- What do you value the most?
- Students: What is the best thing about school for you?
- Students: What are your challenges?

Please request an interpreter by filling out this form. We are happy to provide one and we are here to listen.
