

Exhibit E
Educational Service Provider Policies post-Approval Certification

We certify by our signatures below, each Board Member was given the opportunity to review the proposed ESP agreement with the Academy's legal counsel.

We certify that, to the best of our knowledge, the Academy Board budgeted adequate resources for negotiating the ESP Agreement, and performing the Academy Board's responsibilities under the ESP Agreement and the Charter Contract. The Academy Board recognizes it is responsible for determining the budget reserve included in the Academy's budget, and for oversight of the ESP Agreement.

We certify that, in the event the Academy intends to enter into a lease, execute promissory notes or other negotiable instruments, or enter into a lease-purchase agreement or other financing relationships with the ESP, then such agreements shall be separately documented and are not a part of or incorporated into the ESP Agreement.

We certify the Academy Board approved the final ESP Agreement with a formal vote at a public meeting at which the public was given opportunity for comment on the proposed Agreement.

We certify that the ESP Agreement is an arms-length, negotiated agreement between the Academy Board and the ESP.
