

The Department of Elementary and Secondary Education's Office of Public School Monitoring (PSM) will conduct an Integrated Monitoring Review of Wakefield Public Schools during the week of November 17, 2025. Each school district, charter school, vocational school, and virtual school undergoes an Integrated Monitoring Review every three years. The areas addressed during an Integrated Monitoring Review are organized into two groups, known as Group A Universal Standards and Group B Universal Standards.

Wakefield Public Schools will be undergoing a **Group B** monitoring review that addresses special education teacher and related service personnel licensure and professional development; parent, student, and community engagement, including compliance with Child Find requirements; facilities and classroom observations; implementation and oversight of Individualized Education Programs (IEPs); time and learning, and equal access. For additional information, please also see [Integrated Monitoring Parent and Family Orientation](#).

The process includes interviews with district staff and administrators, a review of student records, policies and procedures, and school building visits. The process may also include parent/caregiver, student, and teacher focus group meetings to gather additional information. Interpretation will be provided, if needed.

The Department will also send a parent survey, in multiple languages and formats, as needed, to parents /guardians of special education students to gather key information on the special education processes and procedures.

Parents/guardians and other stakeholders may call Joan Brinckerhoff, Monitoring Review Chairperson, at (781) 338-3715 or Joan.L.Brinckerhoff@mass.gov to request a telephone interview. If anyone requires an accommodation, such as translation, to participate in an interview, the Department will make the necessary arrangements.

Within approximately 60 business days after the onsite visit, the review chairperson will provide the (district or charter school) with a report that includes information on further actions that may be required. The public can access the report at <https://www.doe.mass.edu/psm/tfm/default.html>.
