

## **Pretty Purposed Board Agreement**

Board service is a commitment of the board member's skills, time, talent and treasure. As a Board member I agree to the following:

### **Annual Give or Get:**

I understand every Board member is expected to make a financial donation that is personally meaningful to them.

I understand that the purchase of event tickets, raffle tickets, merchandise, or other items does not constitute or contribute to my annual give or get.

I agree to pursue matching funds with my employer or other sources (where applicable) to enhance my personal contribution.

I agree to participate in each resource development campaign by engaging my network, taking a lead role, **or** personally contributing financially

### **Board Activities:**

I will attend all four of the Pretty Purposed board meetings (meetings alternate between in person and hybrid)

I will actively recruit and engage board members, committee members, and volunteers.

I will participate in Board development activities (training, workshops, seminars)

I will volunteer with at least two Pretty Purposed events
