SCP-049

A picture of SCP-049 at Site-██████████ By External Researchers as they assisted in Initial Classification of SCP-049.

SCP(s) Researched: SCP-049 and Randall I. Mccullough
SCP Containment Zone: LCZ
SCP Containment Level(s): Euclid

Interview Questions>

This is not an interview, this is rather a meet up, scheduled by Dr. Shard in order for SCP-049 to meet with Randall I. Mccullough, a known person that is believed to be travelling through dimensions.

Interview Goals>

SCP-049 is very interested in his presence in this "alternate dimension". He wants to know if he was in that alternate dimension. He wants to know if he believed the same "god" in that other dimension.

Interview Result>

Results are terrifying, not only SCP-049 kept on rejecting the existence of another reality, it made sure that Randall won't talk about it again in the future or he will personally deal with Randall. SCP-049 also stated that the Eir will always guide him and will always give him the right choices. But in this context, the Eir did not give him the correct

guidance.

- - RESEARCH DESCRIPTION - -

Hello, Dr. Shard here. I am writing this with the best of my ability to do so. Whatever happened in the Hamilton Office Complex the other day with 049 and Randy was rather... interesting. I have discovered several things about SCP-049 and the multidimension theory, so please, listen to the audio log below.

AUDIO LOG #1>

IN AN AFTERNOON OF 24TH OF JULY, DR. SHARD BUMPED INTO RANDALL I. MCCULLOUGH OR KNOWN AS RANDY.

SHARD: Excuse me, Randall. You have some time?

RANDY: ...Yeah...? What do you need...?

SHARD: I want to talk to you about your previous experience in a different dimension/reality. Well, not me specifically but someone rather special.

RANDY: Uhh...? Sure... I guess.

SHARD: Perfect, let's go to the Scientific Wing and wait for this special guest to arrive.

RANDY: I hope that this isn't a trap, Doctor.

BOTH DR. SHARD AND RANDALL WALKED TO THE SECOND LEVEL OF SCIENTIFIC WING, WAITING FOR SCP-049 TO ARRIVE

SHARD: That must be him.

SCP-049 OPENED THE DOOR OF THE SECOND LEVEL OF SCIENTIFIC WING, WALKING TOWARDS DR. SHARD AND RANDALL.

SHARD: Doctor. Salutations. Shall we move into a more private place?

RANDY: Oh god...

SCP-049: Yes, we may.

THE THREE OF US WALKED INSIDE THE SCIENTIFIC DEPARTMENT BOARD ROOM, FOLLOWED BY

THREE OTHER RESEARCHERS, DR. AURELIUS, DR. JAYDEN, AND DR. DOGE.

SHARD: Right, so Doctor, this is Randall. Randall, this is SCP-049, the Doctor.

RANDY: Just call me Randy.

SCP-049: Ah, right.

RANDY: Hey, doc. It's good to see ya again, I s'pose.

SHARD: Well, the Doctor here is very interested in your experiences with the different dimension bef-

SCP-049: We talked about a 'previous' reality, correct?

SHARD: Indeed, Doctor.

RANDY: Right, one thing. I ain't exactly trustworthy of 'em to say the least.

SCP-049: I just have one major question for you.

RANDY: By the way, you fine with me callin' you doc?

SCP-049: I don't mind. The answers you hold are all I need.

SCP-049: Now, I need you to tell me. Was *I* in this so called 'alternate reality'?

RANDY: Yeah. Saw you a couple of times.

SCP-049 WAS SHOCKED OF THE ANSWER, TURNED HIS BACK AGAINST US.

SCP-049: That... cannot be. One moment.

RANDY: Also contained in a facility like this. Same name, just less modern I guess.

SCP-049 MUMBLES.

SCP-049: Impossible. She would've told me.

SCP-049: Another question, was I still loyal to the Eir?

RANDY: You never talked about some "Great Eir" like you do now.

SCP-049 WAS SHOCKED ONCE AGAIN BECAUSE OF THE ANSWER, TURNED HIS BACK AGAINST US AGAIN. HE ALSO MUMBLES AGAIN. EYES TURNED ORANGE.

SCP-049: One moment. I was loyal to my cause this entire time. Great Eir, guide me to the truth. I must think. I need to think.

SHARD: You good, Doctor?

SCP-049: Silence.

SCP-049: Did my blessings remain the same?

RANDY: Yeah, pretty sure. Your Eir wasn't involved with it, nor did you mention it, but you mentioned it as a "cure" instead. I think it was somethin' to the "Great Disease" if I was right.

SCP-049: Shocking. I am shocked, really. And it is called The Great Undying. Her blessing. My faith. My faith needs a second. A second to adapt. To change. One moment.

SCP-049 TURNED HIS BACK AGAINST US FOR THE THIRD TIME, MUMBLING.

SCP-049: Lies. This is all lies. Not as reality, but mere fiction.

SCP-049 LOOKED BACK AT RANDALL, THE ROOM'S ATMOSPHERE BECAME NEGATIVE.

SCP-049: You tell lies. All of it. This is a lie. The Eir would've told me if this is true.

RANDY: 'Ey, doc, I'm tellin' the truth, honest to the Lord.

SCP-049: Are you calling her a liar?

SHARD: Doctor. Calm down.

SCP-049: When I say silence, you remain silent.

SCP-049: This is impossible. Everything she's shown me. Told me. It is not a lie. It is reality. Not fiction. You are insane. You can't think. You refuse to think.

JAYDEN: Randy, I got a question, in that different reality, is the Great Undying called "The Pestilence"?

RANDY: Nope.

SCP-049: All reasonable outcomes point to her being true. Being all mighty. Impossible. This is impossible. I can tell lies from fiction. I will tell lies from

fiction. I will not question my faith.

SHARD & AURELIUS: Doctor, do you want a lavender to calm you down?

SCP-049: I said silence. Speak one more word and I will show you all my faith.

SCP-049 TURNED HIS BACK AGAINST US FOR THE FOURTH TIME, MUMBLING, ANGRY.

SCP-049: I know the truth. She guided me to the truth. Everything is fine. Lies are being spread. I should not be worried. I am a doctor. You are mistaken. You will always be mistaken.

SCP-049 STARTS TO APPROACH RANDALL.

RANDY: Woah, doc, I swear!

SCP-049: You are not leaving until I educate you. I will educate *all* of you. You are insane. A product of your mind. You know nothing. You will always know nothing.

DOGE: Doctor, what appears to be the issue? I fell asleep during the meeting.

SCP-049: I asked for silence. I will now get it

SCP-049 TURNED DR. DOGE INTO SCP-049-2, SHOWING HOW MAD HE IS TO THE SITUATION.

SHARD: Great. EVERYONE. LEAVE. THE. ROOM. NO-

SCP-049: Do not move one more step. Any of you.

SHARD: Doctor. This is unnecessary.

RANDY: Doc, what motive do I've to lie? I don't have any! Honest to the Lord Almighty, I'm tellin' the truth!

SCP-049: Because you haven't seen her grace. Her power. The things she has to offer. Drengir (REFERRING TO SCP-049-2). Go to him. Show him her amazing work.

SCP-049-2 APPROACHES RANDALL, DR. SHARD INTERFERES, MAKING A BARRIER BETWEEN SCP-049-2 AND RANDALL.

RANDY: 'Ey! 'Ey, wait! Oh, god. Oh, god...

RANDALL MOVES AWAY FROM THE PLACE HE'S CORNERED AT.

SCP-049: I told you to not move.

RANDY: Can ya' blame me?! This is terrifyin'!

SCP-049: Keep your mouth silent. You say this false reality I did not speak of her. But it's lies. All of it. Your lies combine into a false truth. Now, you lied about this 'previous reality', correct?

RANDY: What?! No, I-

SCP-049: State the truth.

RANDY: There's even proof 'bout my reality! There's stuff in the lake, it was my own lil' doohickey that messed up, that caused me to be here.

SCP-049: I said, tell me the truth. There is no 'previous reality'. Say it.

RANDY: Doc, check the lake, near one of the pillars with the main, big large bridge. I'm tellin ya'! There's some rusted machine there, that is mine!

SCP-049: Lies. All of this is lies. Drenger, swarm.

SCP-049-2 STARTED TO PUSH RANDALL INTO A CORNER.

RANDY: BACK OFF!

SCP-049: There is no 'previous reality'. You are just insane.

ETA-9: Doctor, don't hurt him. See what's wrong with him.

SCP-049: Yes, yes. You are right. He is ill. Doctor (referring to EMS superdogonfire). Give him a checkup. I will watch.

SUPERDOG: Gladly.

SCP-049: Go on, Knave. (referring to Randall).

RANDY: Please, tell your... Dreng to back off.

SUPERDOG: Shall we head over to MD offices?

EVERYONE IN THE ROOM INCLUDING SCP-049 AND RANDALL WALKS TO THE MEDICAL WING OF HAMILTON OFFICE COMPLEX. RANDALL AND SCP-049 ARE BROUGHT INTO A PRIVATE ROOM, RANDALL SAT ON THE COUCH AND DR. SUPERDOG SAT ON THE SMALLER COUCH.

RANDY: ...Not again...

SUPERDOG: Alright. I'm ready.

SCP-049: Make him expose his lies. All of it.

SUPERDOG: How did you get here, Randall? Let me rephrase, how did you arrive on site to Paragon?

RANDY: I dunno if it's the same void that the shadow child came from, but I-I dunno.

SCP-049: Hurry. Make him expose his lie.

SUPERDOG: A portal? What portal? I've heard Professor Quibblestein got you here.

RANDY: A portal made by Quibblestein. He opened it in the parking lot of CDC, and I ran towards it. It had been a few days of being in at that point, so I had nothin' to lose.

SUPERDOG: Was that also how 017 got here?

RANDY: No?! It was from a meteorite! Do you not remember that incident with the meteorite that whole power shutdown thing? You can even ask Quibblestein himself, he can prove he found me in that void...

SCP-049: Only lies. I only hold this disdain for this circus act you created. We are not allies, we are not friends.

SUPERDOG: Do you have any proof of these events?

RANDY: I... You can ask that 1730 thing! It's told the same thing before!

SCP-049: You attempt to misguide me from her light by telling me about an 'alternate reality' where I did not have the Eir?

SCP-049: I am capable of reading its text. I would know if it said something of that nature. Alchemists, doctors. Is he speaking the truth?

SHARD: Doctor, we humans can not feel truths or lies even with calculations. But, I assume that he is telling the truth.

SCP-049: I need a moment alone. Outside.

SCP-049 LEFT THE ROOM, DR. SHARD ASSUMES THAT HE IS ASKING FOR GUIDANCE TO THE EIR.

SCP-049: Through broken prayers, I have decided. You speak nothing but pure lies in

hopes to ruin others. Worry not, I am merciful. Doctors, Alchemists. As someone who has had many of years of experience far greater than yours. He is someone who halts out science. Halts our progress. He wants us destroyed so he can rise. I have only one suggestion. Exterminate him.

RENGOKU: Excuse me, Doctor. I have a suggestion, it's a treatment for the insane. It would make him not speak such statements anymore.

SCP-049: You seem experienced. I will allow this 'treatment'. However, I have one condition. If I hear rumors of such lies being spoken of again, death will soon those who believe him

SCP-049 EYES TURNED FULL RED, LOOKED BACK AT RANDALL.

SCP-049: This is your only warning. Speak lies and spread your 'false reality' again, and I will crush you. I will have the Jailors lock you up. I will experiment on you. Do you understand me? You are from this reality. I was always faithful to the Eir.

RANDY: Yes... sure... definitely...

SCP-049: You are rather idiotic, so here is a simple sentence to remember. If you break what I have told you, I will break you. Now, I must get back to work. Farewell.

SCP-049 LEFT THE ROOM AND THE DISCUSSION ENDS

Conclusion & Discoveries >

The encounter between SCP-049 and Randall McCullough revealed significant tension between anomalous belief systems and survivor testimony from collapsed realities. Randall confirmed SCP-049's presence in the former dimension, noting a stark difference: the absence of the "Eir" and a more clinical, less faith driven version of the Doctor. SCP-049, deeply disturbed by this contradiction to his perceived truth, entered a state of **cognitive dissonance**, ultimately rejecting Randall's testimony as heresy and fabrications. His emotional response, including aggression, invocation of his faith, and violent action against a bystander demonstrates the fragility of belief when confronted with conflicting multiversal identity. This confrontation suggests that certain anomalies, like SCP-049, may have **reconstructed differently in the new reality**, possibly with altered memories or influences, echoing theories proposed in the Reality Analysis transcript. Additionally, SCP-049's demand for silence and threats toward Randall affirm a broader danger: that anomalies who perceive reality shifts as threats to their worldview may act with hostility to preserve internal consistency. The meeting confirms that SCP-049 was indeed present in the previous dimension, but not in his current form an insight that may reshape our understanding of **anomalous ideological divergence across**
