

# Rotork Community Challenge

## Application Form 2024

(If you are submitting more than one challenge, please use a separate sheet for each one)

Rotork Community Challenge 2024 is where our students from various courses across the School of Management engage with local organisations and make a positive impact in the local community.

Some challenges are about awareness raising, some are about fundraising and some are about delivering specific events to service users.

Students apply to join a challenge in October, and we form them into groups of 7-8 students. Groups will then have until the end of November to complete the challenge and will then compete in a Presentation evening on the 21<sup>st</sup> November, to win prizes for their charity (monetary donations provided by Rotork), which we would warmly invite you to attend.

The aim of the challenge is to help our students to develop employability skills such as team working, planning and interacting with UK organisations – all of which are valuable skills for their programme of study, CV building and job searching.

If you would like to apply to be apart of the Rotork Challenge, please complete the below form and return to [volunteers@bath.ac.uk](mailto:volunteers@bath.ac.uk) by **23<sup>rd</sup> August 2024**.

### **Things to know before you submit your application:**

- ALL fields are mandatory to fill out, please don't leave any section blank.
- Fundraising projects will NOT be accepted. We are predominantly looking for longevity and sustainability of projects. Examples:
  - Market research, eg guided by surveys or questionnaires
  - Social Media Campaigns
  - Branding design
- Please ensure you consider the length of the challenge; projects must be achievable by students within 5 weeks.
- Charities will be required to support the students throughout the challenge, please let us know in advance if there will be any periods of absence for the primary contact during the challenge.
