Meeting Schedule for 2024-25

September 3, 2024	7:00pm
February 4, 2025	7:00pm
May 6, 2025	7:00pm

It's the quinquennial anniversary of South Mesa. We reviewed the accomplishments and highlights.

- Review school goals

We shared our school goals with a caveat of our theme this year: "Why not win?" We have a goal of 100% of students achieving.

- Beginning of year recap and feedback

The pre-open house was successful. The kindergarten round-up didn't seem as useful. During the open house, parents didn't feel the need to meet with teachers except DLI first grade. One suggestion would be to have the teachers make a video presentation that parents and students can watch before coming to the open house (maybe include a secret word that the students tell the teacher to get a prize).

Kids still darting across not using the crosswalk.

Concerns about the PTA Carnival not raising enough funds. It's a busy weekend. A suggestion for possibly a fun run as an alternate fundraiser.

- Review meeting schedule and new rule

There is an expectation for only one meeting a year, but we discussed doing three.
