How to Register for Athletics at Broomfield High School

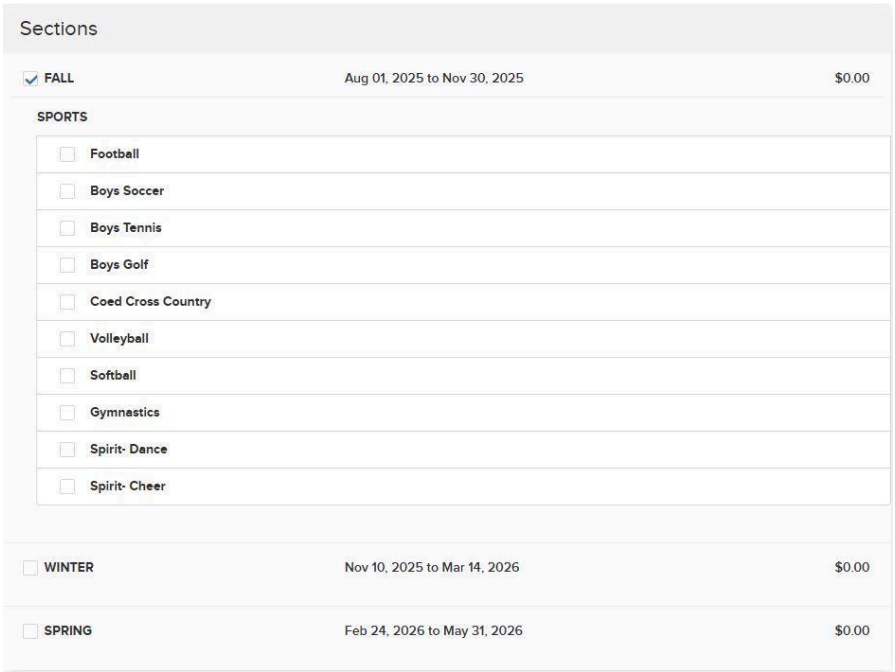

1. Visit the Arbiter Sports registration website at https://students.arbitersports.com/organizations/broomfield-high-school

2. Click on Create an Account or Log In in the upper right hand side of the page. Please limit accounts to one per family. You will be sent an activation email that needs to be opened before you will be allowed to register for the first time.

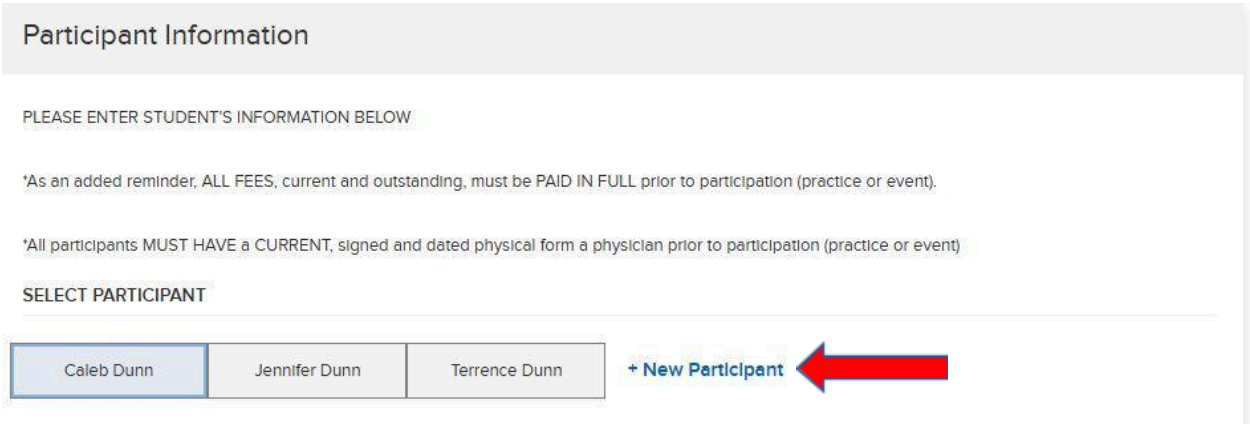

3. Scroll down the page and click on the registration form that you need. If you attend Broomfield High School or another BVSD school, please use the Current BVSD Student form (this includes incoming 9th graders). If you do not attend a BVSD school, please use the Out of District or Homeschooled form.

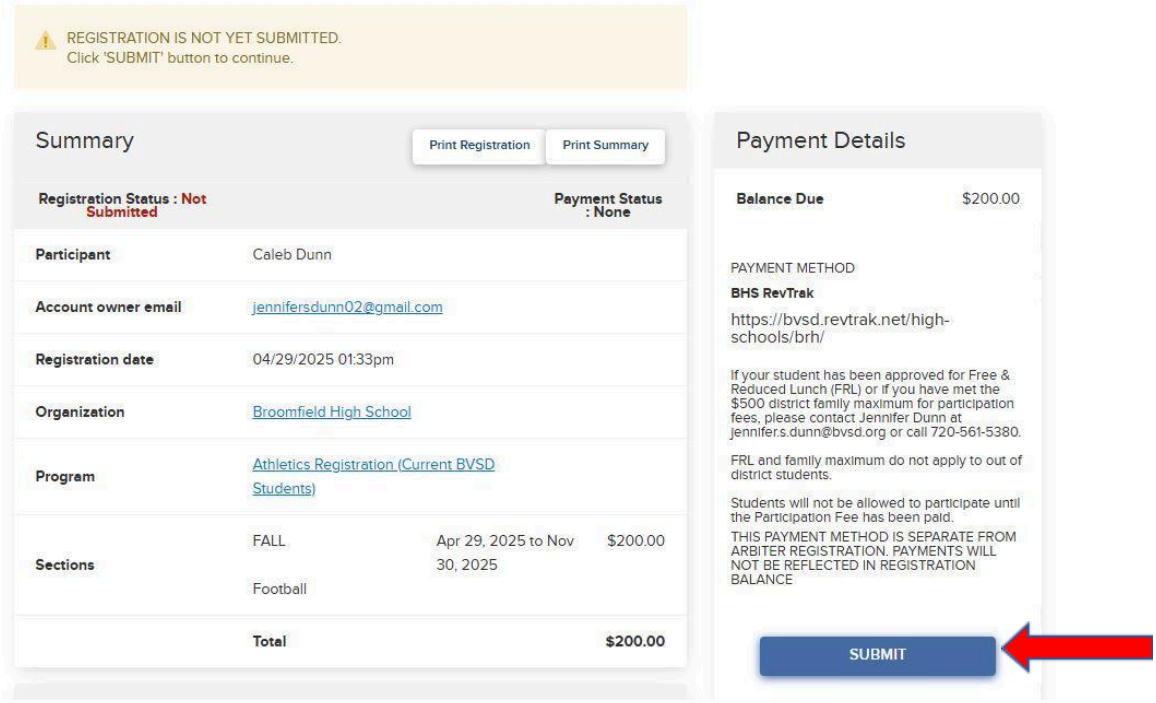

4. Scroll down the page and select the sport(s) you would like to register your student for. You can only register for one season at a time.

5. Continue to scroll down and select the person you would like to register. If you need to add a new student to your account, click on the "+New Participant" link

6. Complete the rest of the registration form. Anything with a * is required and must be filled out at the time of registration.
7. Please note that a current CHSAA physical is required BEFORE your student will be allowed to participate in tryouts and/or practices.
8. For the Transfer Request section, if you are an incoming 9th grade student at Broomfield High School or another BVSD school, please select YES for this question.
9. Once you have completed the registration click on the blue "SUBMIT" button at the bottom of the page.

10. You will need to pay the $225 participation fee on RevTrak prior to the start of tryouts/practice. If you qualify for Free and Reduced Lunch or if you have met the $600 family maximum for participation fees, please email Jennifer Dunn at jennifer.s.dunn@bvsd.org or call 720-561-5380 to have your fees waived. Please note that summer activities such as strength and conditioning or camps and Cheer/Poms expenses DO NOT count towards the $600 family maximum.
