***Abstract:** Abstract Up to 200 English words printed upright with Times New Roman 12 points. The abstract must be clear, descriptive and must provide a brief description of the problem under study. Abstract includes research background, research objectives, research methods and research results. The abstract should end with a comment about the importance of the results or a brief conclusion. (Times New Roman, size 12 Italic font)*

INTRODUCTION (Times New Roman, size 12)

Contains a description of the background of the problem being solved, issues related to the problem being solved, research reviews that have been carried out previously by other researchers that are relevant to the research being carried out, and supported by relevant literature reviews. References use APA Style 6th edition and this research uses bodynotes. (Times New Roman, size 12, Spacing: before 0 pt; after 0 pt, Line spacing: 1)

LITERATURE REVIEW (Times New Roman, size 12) (If Available)

Contains the theoretical basis used in this study. In this section it is suggested to include many expert opinions and various references to strengthen this research.

METHOD (Times New Roman, size 12)

Contains the types, methods, analytical techniques etc used in this study. The method used flowchart images or diagrams. (Times New Roman, size 12, Spacing: before 0 pt; after 0 pt, Line spacing: 1)

Example Figure:

.....
.....

Figure 1. Information Figure

(Images must be numbered, for example: Figure 1. Example of a diagram. Image captions (number and image title) are placed in the bottom center)

RESULT AND DISCUSSION (Times New Roman, size 12)

The discussion of the results of research and testing obtained is presented in the form of theoretical descriptions, both qualitatively and quantitatively. Experimental results should be displayed in the form of graphs or tables. For graphs follow the format for charts and drawings. (Times New Roman, size 12, Spacing: before 0 pt; after 0 pt, Line spacing: 1)

Example Table:

Tables must be numbered, for example: Table 1. Descriptive Statistics The table description (table number and title) is placed in the top center.

Tabel. 1 Descriptive Statistics

N	Minimum	Maximum	Mean	Std. Deviation

CONCLUSION (Times New Roman, size 12)

Contains a description of the conclusions of the research results in the form of theoretical reflections and recommendations. This section also includes suggestions for research or future researchers (Times New Roman, size 12, Spacing: before 0 pt; after 0 pt, Line spacing: 1)

ACKNOWLEDGEMENTS (Times New Roman, size 12) (If Available)

.....

Contains a description of gratitude or acknowledgment to parties (individuals or institutions) who are directly or indirectly involved in the success of the research that has been conducted. (Times New Roman, size 12, Spacing: before 0pt; after 0 pt, Line spacing: 1)

REFERENCES (Times New Roman, size 12)

Writing a list of references according to the rules of APA Style 6 th edition. All citations to the contents of the research must be in the reference list. The reference list is sorted alphabetically. Sources of the reference list must be at least 6 references and 80% from primary sources scientific articles and the remaining 20% from other sources. (Times New Roman, size 0, before 0 pt; after 0 pt; Line spacing: 1)
