2026-2027

Committee Duties and Responsibilities

Constitution: Interpret the constitution and recommend changes when needed.
Provide clarity and procedures on district wide Teacher of the Year voting so that procedures are done the same in each building.

Economic Welfare: Promote the economic standards of the members of the Association, and provide support to the Negotiation Team. Will meet directly with the superintendent on a regular basis to address district wide concerns.

Membership: The Membership Committee is responsible for recruiting and securing new members, issuing newsletters and maintaining accurate and up-to-date membership records. The committee will report current membership numbers at each Executive Board meeting.

In addition, the committee will develop incentives, outreach strategies, and creative campaigns to strengthen engagement and grow overall membership.

Professional Relations: Promote and recognize excellence in the education profession by sponsoring and overseeing the following initiatives:

1. A) The Teacher of the Year Program,
2. B) Teacher Appreciation Week,
3. C) collaborative efforts with other professional organizations. (WTEF)

Insurance: Study and advise the Association about insurance programs. Meet with the district regularly ahead of open enrollment to collaborate on insurance selection.

Correspondence: Sends cards to members. If a member has a birth to celebrate or a death to acknowledge, please notice the correspondence team and they will send a card.
