

Hello Hamagrael Families!

We will be celebrating National Teacher Appreciation Week beginning on Monday, May 2<sup>nd</sup>. The PTA plans to honor our teachers by providing a breakfast on Monday, fresh flowers on Tuesday, a catered lunch on Wednesday, and a special surprise on Friday. If you would like to help your child honor their teacher on Thursday, feel free to participate using any combination of ideas listed below.

**A Little Note**

Please bring in a handwritten note, or drawing, describing what you enjoy about being in your teachers' class.

**Book Donation**

Please bring in a new, or gently loved book to add to the classroom library.

**School Supply**

Please bring in a school supply to add to your teachers supply!

**Kiddo's choice**

This can be anything! A drawing, an extra note, a sweet treat!

As always, please note that there is no obligation to participate. The teachers are unaware of these daily treats, so every day will bring a nice surprise!

Thank You!

The Hamagrael PTA

P.S. Please don't forget the "specials" teachers (Phys Ed, Music, Library and Art)!
