

Don't Fight The Feeling Song Lyrics

When Everything Was Revealed

Under The Light

The Drive On A Lonely Circuit Began

You Have To Lose Everything

You Must Admit It

That's How You Truly Achieve Freedom

You Have To Tackle At Least

I'm A Little Different

Trust Me On That One At Least, Yeah

Get Drunk On Your Own Style

What's Wrong With That

You Can Do Anything, Yeah

I Miss How You're Fearless

You Climbed Up From The Bottom

What Are You Waiting For

Your Youth And Arrogance

The Crazy Things You Can Do Now

Don't Fight The Feeling

Follow Your Instincts, Babe

Don't Fight The Feeling

Don't Even Stop Yourself

Yeah Don't Fight The Feeling Yeah

Don't Fight The Feeling Yeah
No Place No Town That We Can't Go
Always Why Not? Face It
What You Felt Just Now Is The Right Answer
'Cause I Feel Like I'm Ballin' Oh Babe
Even If I Die Every Night
I Breathe In The Morning
Who Could Even Imagine
Don't Be Swept Away
By The Obstinate Rational
Speed Across KWANGYA
Ay Yo 24/7 All Day
Gonna Be Gonna Be Ok
As You Went With Your Feelings
Shawty 'Bout To Turn It Up
You Got That Love Wit That Juice
Follow Me Wo Ooh
Baby I Can Be Ya Healin'
Tell Me Why You Fighting The Feeling?
For Once In My Life
I'm Betting On The Real Thing
You Know I'm Only Being Serious
Just One In A Million
I Wanted It To Be Me

You And I Who Shined Beautifully

In That Moment

Don't Fight The Feeling

Follow Your Instincts, Babe

Don't Fight The Feeling

Don't Even Stop Yourself

Yeah Don't Fight The Feeling Yeah

Don't Fight The Feeling Yeah

I'm Filled With Thoughts Tonight

I Just Want It Simple

Run Like The Dawn

Do It Without Fear

I'll Believe In This Feeling

Don't Fight The Feeling

Follow Your Instincts, Babe

Don't Fight The Feeling

Don't Even Stop Yourself

Yeah Don't Fight The Feeling Yeah

Don't Fight The Feeling Yeah
