

Free Creative Resources

Editing Software:

Mobile

- Capcut: <https://www.capcut.com/>
- DJI Mimo (VERY similar to Capcut, in case it gets banned with tiktok Imao): <https://www.dji.com/downloads/djiapp/dji-mimo>
- iMovie (Works on desktop and mobile):
<https://apps.apple.com/us/app/imovie/id377298193>

Desktop

- Davinci Resolve (best free editing program out there):
<https://www.blackmagicdesign.com/products/davinciresolve>
- Clipchamp: <https://clipchamp.com/en/video-editor/>
- Capcut: <https://www.capcut.com/>

Images:

General Images

- PixaBay: <https://pixabay.com/>
- Pexels: <https://www.pexels.com/>
- Wikimedia Commons:
<https://commons.wikimedia.org/wiki/Welcome>

Archival Images

- Public Domain Review: <https://publicdomainreview.org/>
- Smithsonian Open Access: <https://www.si.edu/openaccess>
- Library of Congress: <https://www.loc.gov/free-to-use/>
- National Gallery of Art: <https://www.nga.gov/open-access-images.html>

Music/SFX:

Music (Check licensing info for how to properly attribute)

- PixaBay (Check the comments, sometimes music still gets claims if used on YouTube, but most of the music is fine to use): <https://pixabay.com/>
- FreeToUse: <https://freetouse.com/music>
- Incompetech: <https://incompetech.com/music/royalty-free/music.html>
- NCS: <https://ncs.io/>
- Bensound: <https://www.bensound.com/>
- Filmmusic (be sure to go into the filter options and turn on the “handcrafted” filter, as some of the music on here is AI generated):
<https://filmmusic.io/en>
- Creative Commons: <https://creativecommons.org/legalmusicforvideos/>
- Classics (public domain classical music): <https://www.classicals.de/>

VFX:

- Over 3500 VFX, including light leaks, film burns, transitions, etc:
https://www.reddit.com/r/VideoEditing/comments/170s7rh/sharing_my_free_3500_vfx_4khd_light_leaks/
-

Design Resources:

- Photopea (Photoshop dupe): <https://www.photopea.com/>
- Canva: <https://www.canva.com/>
- Adobe Express: <https://www.adobe.com/express/>
- Coolors (Design color palettes and check color contrast for accessibility):
<https://coolors.co/>

Misc Useful Tools:

- Stacher (allows you to download YouTube videos, Tiktoks, etc very quickly and easily): <https://stacher.io/>
- Download YouTubeThumbnail (useful if you're referencing other people's videos):
<https://youtube-thumbnail-grabber.com/>
-
