

Additional Office Hours

If you need extra support with your ePortfolio, please sign up with your first and last name and what you'd like to review together during our appointment.

Appointments are in 30-minute increments. If needed, you can book a full hour by signing up for **two consecutive** timeslots.

You can review my available days and times below. Click the date below to jump to the sign-up sheet or on the left hand side under Tab #1.
